Dear Parents, Carers, Staff and Governors,

Transition and Welcome Meetings

As we reflect on the end of the academic year, we are delighted to celebrate the extremely successful transition programme that took place across school this week.

Our children embraced the opportunity to spend time in their new classrooms, meet their new teachers and become familiar with the routines and expectations for September. It was wonderful to see their enthusiasm, confidence and excitement as they took this important step towards the next stage of their learning journey.

These transition opportunities play a vital role in helping children feel settled, secure and ready for the year ahead and we are incredibly proud of how positively our children approached the experience.

We would also like to extend a sincere thank you to all parents and carers who attended our Welcome Meetings. It was fantastic to see so many families joining us to meet staff, learn about expectations for the new academic year and strengthen the partnership between home and school.

Your support, engagement and commitment make a significant difference to our children's success and we greatly appreciate the time you took to attend. Together, we have laid strong foundations for a positive and successful start in September.

If you were unable to attend Welcome Meetings please do not worry as information will be uploaded to our school website very soon.
