

WRAP AROUND CARE

THIS WEEK AT SUGAR HILL

Another busy week has flown by, with plenty of reasons to smile. From energetic games and creative choices to those quieter moments with friends, the children continue to make Wrap Around Care their own.

PLAY • CREATE • BELONG

A LITTLE MILESTONE

Our first Wrap Around Care birthday was one to remember.

CAKE, SMILES & A FIRST FOR WAC

This week we celebrated our very first birthday in Wrap Around Care. There was cake, plenty of smiles and a chance for everyone to share in a special moment together. These are the little things that help children feel that this is their club - somewhere familiar, welcoming and full of people who know them.

MORE THAN FILLING THE HOURS

We want the time around the school day to feel worthwhile. Children can choose how they spend it, reconnect with friends, try something different or simply settle down after a full day of learning.

A WEEK WITH PLENTY OF CHOICE

No two afternoons need to look the same. This week the children moved, made, played and explored - with space to follow their own interests too.

GET MOVING

Football, challenges and plenty of energy.

GET CREATIVE

Drawing, designing and ideas of their own.

BE TOGETHER

Time to chat, celebrate and enjoy friendships.

STAY CURIOUS

Because sometimes the best activities arrive uninvited.

THE WEEK IN PICTURES

A few snapshots from another brilliant week together.

AN UNEXPECTED GUEST

We even had a surprise visitor this week when a spider decided to join us. Apparently even the local wildlife has heard how good our Wrap Around Care is!
