# Weekly News

**REMINDER- SCHOOL TELEPHONE LINE IS OPEN MONDAY-FRIDAY 8.30am-4.00pm**

Dear Parents, Carers, Staff and Governors,

A warm welcome to this week's newsletter! We hope you've all had a lovely week and that everyone is enjoying the brighter days and warmer weather.

It has been another busy and positive week in school, with lots of fantastic learning taking place across all classes. We are incredibly proud of the children for their enthusiasm, hard work and the way they continue to support one another.

As always, thank you for your ongoing support—it makes such a difference to our school community.

We hope you enjoy reading this week's newsletter!

## **Annual Reports**

Annual Reports will be sent home on the 10<sup>th</sup> July. If a second copy of your child's report is required please ensure your child's class teacher is aware of this. **Please add a note to your child's planner before Friday 3<sup>rd</sup> July. This will provide classroom staff with sufficient notice to ensure that two copies are provided. It is important that all parents with parental responsibility receive a copy of Annual Reports. Thank you for your support in this matter.**

## **Health & Safety Message – Sensory Toys in School**

We would like to remind families about our expectations regarding sensory toys being brought into school, particularly soft "squishy" toys.

While we understand that sensory items can be enjoyable and calming for children, we have recently identified a **health and safety concern**. Many squishy toys are filled with liquid, gel or powder substances and can **burst or split during use**. When this happens, the contents may spill onto skin, clothing, or surfaces, which can cause:

- Slips or mess in the classroom
- Potential skin irritation for some children
- Disruption to learning time

To ensure the safety and well-being of all pupils and to maintain a safe learning environment, we kindly ask that **squishy sensory toys are not brought into school**.

If your child requires sensory support, please rest assured that we have **appropriate, school-approved resources** available and staff will support children in using these safely.

Thank you for your understanding and continued support.

### COMMUNITY LINKS

If you have any news to share in our Community Links section please email school and this will be forwarded to Mrs Legge. *Thank you.*
