

Thursday 9th October

Parents Evening Appointments

Our Parent Appointment dates are **Wednesday 12th November** and **Wednesday 19th November**. The purpose of this meeting is to let you know how your child has settled into their new class and discuss any concerns that you may have. There will not be any work to look at as we are still very early in the academic year. The appointments will be 5 minutes long. We encourage parents who are able to attend to not bring their children with them where possible. However, we recognise that this is not always possible.

We strongly encourage any parents who have worries or concerns to discuss these with your child's class teacher as and when they happen rather than waiting for an appointment at parents' evening.

Please click the link below to complete the parents evening form if you wish to make an appointment. Please make sure that you fill in the correct form for your children's year groups.

The form will need to be completed by **Friday 17th October**.
