9th June 2026

Dear Parents,

I am writing to inform you that during this week, your child will be participating in the multiplication tables check.

What is the multiplication tables check?

It is an on-screen check consisting of 25 times table questions. Your child will be able to answer 3 practice questions before taking the actual check. They will then have 6 seconds to answer each question. On average, the check should take no longer than 5 minutes to complete.

The purpose of the check is to determine whether your child can fluently recall their times tables up to 12x12. It is a statutory assessment that all Year 4 pupils across the country will undertake this year.

This check is nothing for the children to worry about and is very similar to the layout of TT Rockstars.

If you have any further questions, please do not hesitate to ask.

Kind regards

Mrs Benn.
