Year 3 & 4 Trip

Science and Industry Museum and The Snow Centre Manchester, formerly 'Chill Factor'

Dear Parents,

We are delighted to inform you that we have booked an action-packed trip to the Science and Industry Museum in Manchester and The Snow Centre Manchester, on **Thursday 11th June 2026**.

The children will be starting the day at the museum, participating in workshops that coincide with National Curriculum topics. Year 3 will be taking part in an 'Ingenious Engineers' workshop, and Year 4 will be 'Space Explorers'. The children will have their dinner at the Science Museum, before travelling to The Snow Centre where they will enjoy a 1-hour session in the Snow Park.

We require all children to be dropped off at school at **7.30am** and we will be due back at approximately **5:30pm**. We will keep you updated on the school app with this as it happens. If your child requires any travel sickness medication for the day, please can they be given this before they set off. If your child requires additional medication throughout the day, please fill in a medical form and hand over any medication prior the day of the trip.

We are kindly asking for a contribution of **£50 per child** to be paid via School Money by **Monday 18th May 2026**. This price includes the cost for transportation for the day, the workshop fee at the Science Museum, the entry to the snow park at The Snow Centre, as well as the hire fee for clothing and equipment. Unfortunately, if we do not have enough contributions for this visit, it will have to be cancelled.

On the day, please can children bring a backpack with a packed lunch for their dinner, a drink and a snack for after The Snow Centre (if you would like them to have one). No glass bottles or fizzy drinks, etc. Children are to wear their school outdoor kit (PE kit), and please ensure all jewellery is removed.

If you have any questions, please do not hesitate to ask. We are very excited for this trip, and are looking forward to creating memorable experiences with your children.

Yours faithfully,

Mrs Morrow and Mrs Benn.
