Year 3 & 4 Trip

Science and Industry Museum and The Snow Centre Manchester, formerly 'Chill Factor'

Dear Parents,

We are now only a few days away from our exciting trip to Manchester and we wanted to remind you of a few key points.

Date: Thursday 11th June 2026

Arrival time at school: 7:30am

Departure time: 7:45am

Departure time (Snow Centre): 3:30pm

Estimated arrival time back at school: 5:30pm (we will keep you informed of this via school jotter)

The children will be starting the day at the Science and Industry Museum, participating in workshops. Year 3 will be taking part in an 'Ingenious Engineers' workshop, and Year 4 will be 'Space Explorers'. The children will have their dinner at the Science Museum, before travelling to The Snow Centre where they will enjoy a 1-hour session in the Snow Park.

On the day, please can children bring a backpack with a packed lunch for their dinner, a drink and a snack for after The Snow Centre (if you would like them to have one). No glass bottles or fizzy drinks, etc. Children are to wear their school outdoor kit (PE kit), and please ensure all jewellery is removed. All equipment and clothing will be provided by The Snow Centre, as this was inclusive of the price you paid, but please ensure that the children have their own light waterproof packed for travelling on and off the coach (especially if we get caught in a downpour).

If your child requires any travel sickness medication for the day, please can they be given this before they set off. If your child requires additional medication throughout the day, please fill in a medical form and hand over any medication prior the day of the trip.

If you have any questions, please do not hesitate to ask. This should be an amazing experience for the children and a memorable day.

Yours faithfully,

Mrs Benn and Mrs Morrow.
