Version	Origin	Date	Amendments
2017	Update policy	December 2017	
2017		January 2019	Unique I/D added
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	November/December 2019	Model policy adapted for BPS Approved at T & L meeting 29 November Adopted at FGB meeting 11 December
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	June/July 2021	This policy now meets the requirements of both Bishopsteignton Primary School and Bishopsteignton Preschool Approved at the T & L meeting 11 June 2021 For Adoption at the FGB meeting 07 July 2021
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	07/07/21	Wrap around Care note added. Approved and adopted at the FGB meeting
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	02/11/2022	Review and recommended for approval at the 02 October 2022 T & L meeting
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	06/12/2022	Approved at the 07 December 2022 FGB meeting
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	11/03/2024	See amendments Page 2. Reviewed at the 11 March 2024 T & L meeting and approved at the 27 March 2024 FGB meeting
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	10/03/2025	Reviewed at the 10 March 2025 T & L meeting and approved at the 02 April 2025 FGB meeting
2014-15	Model DCC Special Educational Needs & Disabilities (SEND) Policy	19/01/2026	Reviewed at the 19 January 2026 T & L meeting and approved at the 31 March 2026 FGB meeting

This policy also applies to our Breakfast Club and After School Club which are both based on our school site for current pupils

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

Context	
This policy was developed in consultation with parents/carers, staff and pupils of the school community and pays due regard to; • The SEND Code of Practice: 0 to 25 years, July 2014 • Part 3 of the Children and Families Act 2014 and associated regulations	
Governor responsible for SEN:	Pauline Morley
Headteacher:	Dave Killoran
SENDCo:	Emma Cully
SENDCo Qualifications:	BEd Early Childhood Studies (2005) and NASENDCO (2023) SENDCO is a member of the Senior Leadership Team
Contact details:	sendco@bishopschool.co.uk
This policy will be reviewed annually	
Model policy reviewed: July 2014	Governor reviewed: See version control above

Inclusion Policy (Special Educational Needs and Disability Policy – SEND)

This policy is in line with our equality of opportunity policy and aims to support inclusion for all of our children. The responsibility for the management of this policy falls to the Headteacher; the day-to-day operation of the policy is the responsibility of the Special Educational Needs or Disabilities Co-ordinator (SENDCo). The Governing Board, Headteacher and the SENDCo will work together closely to ensure that this policy is working effectively.

High quality teaching is that which is differentiated to meet the needs of the majority of pupils. Some pupils will need something **additional to** and **different from** what is provided for the majority of pupils; this is special educational provision and we will use our best endeavours to ensure that provision is made for those who need it.

Bishopsteignton Primary School / Bishopsteignton Preschool will do its best to ensure that the necessary provision is made for any pupil who has special educational needs or disabilities. We will ensure that staff in both settings are able to identify and provide for those pupils who have special educational needs or disabilities to allow pupils with SEND to join in the activities of the school/ preschool.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

Staff in both settings and governors will also work to ensure that all SEND pupils reach their full potential, are fully included within the school/ preschool community and are able to make successful transfers between educational establishments. This policy aims to support all members of staff in providing positive whole school approaches towards the learning, progress and achievement of SEND pupils. With this as an underlying principle, we believe that;

All teachers are teachers of Special Educational Needs.

Teachers are responsible and accountable for the progress and development of all pupils in their class, including where pupils access support from teaching assistants or specialist staff. (0-25 SEND Code of Practice 2014: 6.38)

Teaching and supporting pupils with SEND is therefore a whole school responsibility requiring a whole school response. Meeting the needs of pupils with SEND requires partnership working between all those involved – Local Authority (LA), school, parents/carers, pupils, children's services and all other agencies.

School Admissions

No pupil will be refused admission to school on the basis of his or her special educational need. In line with the Equality Act 2010 we will not discriminate against disabled children in respect of admissions for a reason related to their disability. We will use our best endeavours to provide effective educational provision.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

Aims and Objectives

Aims

To provide the structure for a pupil-centred process that engages pupil, family, school and other professionals in planning for and implementing high quality, needs led provision that is consistent across both settings. This is to ensure all of our pupils / children are able to access the same opportunities for learning and social development achieving maximum progress, fulfilling their potential and promoting their well-being.

Objectives

The SEND Policy reflects the principles of the 0-25 SEND Code of Practice (2014). The aims of this special educational needs policy are to:

- Ensure the Equality Act 2010 duties for pupils with disabilities are met,
- To enable pupils / children with special educational needs to have their needs met,
- To take into account the views of the pupils with special educational needs,
- To encourage good communication and genuine partnerships with parents/carers of children with special educational needs,
- To facilitate full access to a broad, balanced and relevant education, including an appropriate curriculum for the foundation stage and the National Curriculum, for pupils with special educational needs,
- In conjunction with the Medical Policy make arrangements to support pupils with medical conditions and to have regard to statutory guidance supporting pupils at school with medical conditions,
- To implement a graduated approach to meeting the needs of pupils using the Assess, Plan, Do, Review process,
- Develop a culture of inclusion valuing high quality teaching for all learners, with teachers using a range of effective Ordinarily Available Inclusive Provision (OAIP) and Ordinarily Available Targeted Provision (OATP) strategies,
- Employ a collaborative approach with learners with a SEN or disability, their families, staff in both settings other external agencies including those from Health and Social Care,
- Set appropriate individual learning outcomes based on prior achievement, high aspirations and the views of the learner and family,
- Share expertise and good practice across the school/ preschool and local learning community including through the Primary Partnership
- Make efficient and effective use of school resources,
- Have regard to the Code of Practice (2014) for the identification, assessment, support and review of special educational needs,
- Have regard to guidance detailed by Devon County Council.

Identifying and supporting Special Educational Needs & Disabilities

Bishopsteignton Primary School

Pupils have special educational needs if they have a learning difficulty or disability which calls for special education provision to be made for him/her namely provision **which is additional to or different from** Ordinarily Available Inclusive Provision (OAIP). Bishop School regards pupils as having a Special Educational Need if they:

- a) Have a significantly greater difficulty in learning than the majority of pupils of the same age, or;
- b) Have a disability which prevents or hinders him/her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

- c) A child under compulsory age has special educational needs if they fall within the definition at (a) or (b) above or would do so if special educational provision was not made for them (Section 20 Children and Families Act 2014)

Pupils must not be regarded as having a learning difficulty solely because the language or form of language of their home is different from the language in which they will be taught.

Bishop School will have regard to the SEND Code of Practice 2014 when carrying out its duties towards all pupils with SEND and ensure that parents/carers are informed by the school that SEND provision is being made for their child.

There may be times in a pupil's school career when they are identified as having a Special Educational Need. These pupils will be provided with intervention and/or support that is 'additional to or different from' the normal differentiated curriculum. This may be on an ongoing basis or for a limited time. Many pupils with sensory and/or physical disabilities may require adaptations, made as reasonable adjustments under the Equality Act 2010.

Areas of Special Educational Need **Refer to Appendix A**

A Graduated Response to SEND

Early Concerns

The progress made by all pupils is regularly monitored and reviewed. Initially, concerns registered by teachers, parents/carers or other agencies are addressed by appropriate adaptation within the classroom and a record is kept of strategies used. This can be then used in later discussions if concerns persist.

How we identify and support pupils with SEN

All pupils' attainment and achievements are monitored by their teacher who is required to provide high quality teaching and learning opportunities differentiated for individual pupils. Where a pupil is making inadequate progress or falls behind their peers, additional support will be provided under the guidance of the class teacher. Adequate progress could:

- Be similar to that of peers;
- Match or better the pupils' previous rate of progress;
- Close the attainment gap between the pupil and their peers;
- Prevent the attainment gap growing wider.

Where pupils continue to make inadequate progress despite support and high quality teaching, the class teacher will work with the school's Special Educational Needs Coordinator (SENDCo) to assess if a pupil has a significant learning difficulty and agree appropriate support.

In some cases it may be necessary to seek assessment by or advice from an external professional such as a specialist teacher or the Devon Advisory Team. This will always involve discussion and agreement with the pupil's parents/carers.

When considering whether a pupil has a special educational need any of the following may be evident:

- Makes little or no progress even when teaching approaches are targeted particularly in a pupil's identified area of weakness;
- Shows signs of difficulty in developing literacy or mathematics skills which result in poor attainment in some curriculum areas;
- Persistent emotional or behavioural difficulties which are not ameliorated by appropriate behaviour management strategies;

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

- Has sensory or physical problems and continues to make little or no progress despite the provision of specialist equipment;
- Has communication and /or interaction difficulties and continues to make little or no progress despite the provision of an appropriate differentiated curriculum.
- Has emotional or behavioural difficulties which substantially and regularly interfere with the pupil's own learning or that of the class groups, despite having an individualised behaviour support programme;
- Has SEND or physical needs that require additional specialist equipment or regular advice or visits by a specialist service;
- Has a communication and/or an interaction difficulty that impedes the development of social relationships and cause a substantial barrier to learning.

Assess, Plan, Do and Review

Where a pupil is identified as having a high level of SEN, we will take action to support effective learning by removing barriers to learning and put effective special educational provision in place. This support will take the form of a four-part cycle through which earlier decisions and actions are revisited, refined and revised with a growing understanding of the pupil's needs and of what supports the pupil in making good progress and securing good outcomes. This is known as **the graduated approach – assess, plan, do, review**.

For pupils with low level special educational needs the cycle of **Assess, Plan, Do** and **Review** will fit into the regular termly assessment and planning cycle for all pupils. These are known as Pupil Progress Meetings. For those pupils with more complex needs or for who a more frequent cycle needs to be employed. Additional Team Around the Family (TAF) meeting dates will be set.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

Graduated Response

Assess

- In identifying a pupil as needing **SEN support** the class teacher, working with the SENDCo, should be clear of the pupil's needs. This should draw on the teacher's assessment and experience of the pupil, their previous progress and attainment, as well as information gathered from other areas of the school.
 - Parents/carers will then be formally notified by letter when it is decided to provide a pupil with SEN support.
- If the child is presenting with a Social, Emotional or Mental Health (SEMH) need, they will be supported through a THRIVE assessment once parental consent is secured.

Plan

- Teachers will produce an Individual Education Plan (IEP) to support pupils who present with a high level of need. This will be drafted by the class teacher with support from the SENDCO and shared with parents/carers for their input
- Where appropriate, the IEP will detail the support from other agencies and how this will support the pupil in achieving the desired outcomes.
- A class Provision Map will also record all provision in place across the class. This will record the interventions in place to meet the needs identified at the 'assess' stage.

Do

- The class teacher remains responsible for working with the pupil on a daily basis and will work closely with any teaching assistants or specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.
- The SENDCo will support the class teacher in the further assessment of the pupil's needs, in problem solving and advising on the effective implementation of support.

Review

- There will be a termly review of Provision Maps and IEPs. This review will evaluate the impact and quality of the support and interventions and in the case of IEPs; it will include the views of the pupil and their parents/carers.
- Where there is a sustained period of insufficient or no progress, the school may decide to gain involvement and advice from a specialist or external agency. The school will consult with parents/carers before involving a specialist or external agency.

Exit Criteria

When a pupil has made sufficient progress in their area of need that they no longer require any provision that is **different from** or **additional to** that which is normally available as part of high quality and differentiated teaching they will no longer be seen as requiring SEN Support. At this point, through discussion and agreement with parents/carers the pupil will be removed from the school's SEN support.

Statutory Assessment of Needs (EHC)

Where, despite the school having taken relevant and purposeful action to identify, assess and meet the Special Educational Needs and/or Disabilities of the pupil, the child has not made expected progress, the school or parents/carers should consider requesting an Education, Health and Care

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

(EHC) needs assessment. The evidence gathered through the regular review of the IEP will help the Local Authority (LA) in determining when this statutory assessment of needs is required.

Where a pupil has an Education Health and Care Plan (EHCP), the Local Authority must review the plan every twelve months as a minimum. Schools have a duty to co-operate so Bishop School will hold annual review meetings on the behalf of Devon LA and complete the appropriate paperwork for this process.

Monitoring and Evaluation of SEND

Regular monitoring of the quality of provision for all pupils including those with SEND follows the schools assessment and monitoring calendar. In addition the cycle of Assess, Plan, Do and Review ensures that pupils with SEND have their individual provision reviewed regularly, and at least termly. Additional training, advice and support will be provided to teaching staff where necessary in order to facilitate pupil progress and to meet pupil needs.

Pupil progress is tracked half-termly and where pupils are not making sufficient progress additional information is sought and appropriate action taken.

Supporting Pupils and Families

We value and accept the positive role and contribution parents/carers can make. We make every effort to work in full co-operation with parents/carers, recognising and respecting their roles and responsibilities. Parents/carers are encouraged to work with the school and other professionals to ensure that their child's needs are identified properly and met as early as possible.

In order that they play an active part in their child's development, the school endeavours to provide parents/carers with the relevant information so they can reinforce learning in the home.

At Bishop School we endeavour to support parents/carers so that they are able to:

- Feel fully supported and taken seriously should they raise a concern about their child
- Recognise and fulfil their responsibilities and play an active and valued role in their child's education
- Understand procedures and documentation
- Make their views known about how their child is educated
- Have access to information, advice and support during assessment and any related decision-making process about special educational provision.

Parents/carers of a child with SEN support are encouraged to meet with the SENDCo at least twice a year formally. The SENDCo is happy to meet with parents/carers, without prior arrangement, whenever possible.

Parents/carers are encouraged to seek help and advice from Independent Information Advice and Support services, including Devon Information Advice and Support (DIAS). These are able to provide impartial and independent advice, support and information on special educational needs and disabilities.

Parents/carers are also encouraged to visit the Devon County Council Local Offer website www.devon.gov.uk/send. This website provides valuable information about different agencies, services and resources for children, young people with SEND and their families in addition to school resources and information.

Children in Care:

When a child is in care, the carers are accorded the same rights and responsibilities as parents. The school has both an appointed member of staff and a governor for Looked after Children.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

Pupil Voice

We hold the views of pupils highly and recognise the importance of gaining genuine pupil views in promoting the best pupil outcomes. Pupils are able to share their views in a number of different ways (appropriate to age and ability).

These views are welcome at any time but are specifically sought as part of their annual review, as part of their Pupil Progress Meetings and at the end of a targeted intervention. We ask all pupils to contribute to the setting of their own outcomes.

Partnership with External Agencies

The School is supported by a wide range of different agencies and teams. The schools SEN Information report details which agencies the school have worked with in the last 12 months. This report can be found on the school website and is up-dated annually.

Transition

A change of school, class and staff can be an exciting, yet anxious time for all pupils. We recognise that this can be very challenging for some pupils with SEND. We endeavour to make sure these periods of change are carefully managed in a sensitive way to provide continuity of high quality provision and reassurance to pupils and families. Our processes for transition are explained further in **Appendix B**.

Training and Resources

Allocation of resources

- Resources are allocated to support children with identified needs as identified previously.
- Each year we map our provision to show how we allocate human resources to each year group; this is reviewed regularly and can change during the academic year, responding to the changing needs within our classes.
- This support may take the form of differentiated work in class, support from a Teaching Assistant (TA) in focused intervention in groups, or for individuals.
- Specialist equipment, books or other resources that may help the pupil are purchased as required

Continuing Professional Development (CPD) for Special Educational Needs

- The SENDCo and other SLT members provide CPD to staff in school in specific aspects of meeting the needs of pupils with SEN when appropriate or via an identified need.
- Teaching assistants are engaged in training whereby the role of the teaching assistant is developed.
- External trainers are brought in periodically to address more specialist training needs such as dealing with specific medical conditions (e.g. epilepsy) or to train staff in the use of specific interventions.
- Peer support and guidance is available daily for all staff in school and some of the best training development occurs through professional dialogue with colleagues looking at meeting the specific needs of a pupil.

Funding

Funding for SEN in mainstream schools is mainly delegated to the schools' budget. It is the expectation that schools provide support to their pupils with SEN from their SEN budget.

The school will need to be able to demonstrate how it has spent the funding to date and the impact of this as well as demonstrating why further additional funding is required and how it would be used.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

In circumstances where pupils have complex needs, they may be entitled to receive an Education, Health and Care Plan (EHCP). Once an EHCP is granted, pupils will be allocated additional 'top up' funding to deliver the provision outlined in the EHCP.

Personal Budgets

Personal Budgets are only available to pupils with an Education, Health Care Plan (EHCP). Funding can be made available to parents/carers as a personal budget for them to commission their own provision for their child under certain conditions.

Parents/carers who would like to enquire further about using the personal budget should speak in the first instance to the SENDCo.

Roles and Responsibilities

Provision for pupils with special educational needs is a matter for the school as a whole. In addition to the Governing Board, Head Teacher and SENDCo, all members of staff have important responsibilities.

Governing Board:

The Governing Board endeavours to follow the guidelines as laid down in the SEND Code of Practice (2014) to:

- use their best endeavours to make sure that a child with SEN gets the support they need – this means doing everything they can to meet children and young people's Special Educational Needs
- ensure that children and young people with SEN engage in the activities of the school alongside pupils who do not have SEN
- designate a teacher to be responsible for co-ordinating SEN provision – the SEN co-ordinator, or SENDCo.
- inform parents/carers when they are making special educational provision for a child
- prepare an SEN information report and their arrangements for the admission of disabled children, the steps being taken to prevent disabled children from being treated less favourably than others, the facilities provided to enable access to the school for disabled children and their accessibility plan showing how they plan to improve access progressively over time

Headteacher:

The Headteacher has responsibility for the day-to-day management of all aspects of the school's work, including provision for children with special educational needs. The Headteacher will keep the Governing Board fully informed on Special Educational Needs issues. The Headteacher will work closely with the SENDCo and the Governor with responsibility for SEND.

SENDCo:

In collaboration with the Headteacher and Governing Board, the SENDCo determines the strategic development of the SEND policy and provision with the ultimate aim of raising the achievement of pupils with SEND.

The SENDCo takes day-to-day responsibility for the operation of the SEND policy and co-ordinates the provision for individual children, working closely with staff, parents/carers and external agencies. The SENDCo provides relevant professional guidance to colleagues with the aim of securing high-quality teaching for children with special educational needs.

Through analysis and assessment of children's needs, and by monitoring the quality of teaching and standards of pupils' achievements and setting targets, the SENDCo develops effective ways of overcoming barriers to learning and sustaining effective teaching.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

The SENDCo liaises and collaborates with class teachers so that learning for all children is given equal priority.

The principle responsibilities for the SENDCo include:

- Overseeing the day-to-day operation of the SEND policy
- Co-ordinating provision for SEND pupils and reporting on progress
- Advising on the graduated approach to providing SEN support – Assess, Plan, Do, Review
- Advising on the deployment of the school's delegated budget and other resources to meet pupils' needs effectively
- Monitoring relevant SEN CPD for all staff
- Managing the Inclusion team
- Overseeing the records of all children with special educational needs and ensuring they are up to date
- Liaising with parents/carers of children with special educational needs
- Contributing to the in-service training of staff
- Being a point of contact with external agencies, especially the local authority and its support services
- Liaising with early years providers, other schools, educational psychologists, health and social care professionals and independent or voluntary bodies
- Liaising with potential next providers of education to ensure a pupil and their parents/carers are informed about options and a smooth transition is planned
- Monitoring the impact of interventions provided for pupils with SEND
- To lead on the development of high quality SEND provision as an integral part of the school improvement plan
- Working with the Headteacher and the school governors to ensure that the school meets its responsibilities under the Equality Act (2010) with regard to reasonable adjustments and access arrangements

All Teaching and Non-Teaching Staff:

- All staff are aware of the school's SEND policy and the procedures for identifying, assessing and making provision for pupils with special educational needs.
- Class teachers are fully involved in providing high quality teaching, differentiated for individual pupils. This includes reviewing and, where necessary, improving, their understanding of strategies to identify and support vulnerable pupils and their knowledge of the SEN most frequently encountered.
- Class teachers are responsible for setting suitable learning challenges and facilitating effective special educational provision in response to pupils' diverse needs in order to remove potential barriers to learning. This process should include working with the SENDCo to carry out a clear analysis of the pupil's needs, drawing on the teacher's assessment and experience of the pupil as well as previous progress and attainment.
- Teaching assistants will liaise with the class teacher and SENDCo on planning, on pupil response and on progress in order to contribute effectively to the graduated response, (assess, plan, do, review).

Meeting Medical Needs

The Children and Families Act 2014 places a duty on schools to make arrangements to support pupils with medical conditions. Individual healthcare plans will normally specify the type and level of support required to meet the medical needs of such pupils.

In certain circumstances, where children and young people also have SEN and are involved with a range of outside agency professionals, their provision should be planned and delivered in a co-ordinated way using Right for Children. For some pupils with an Education, Health and Care (EHC) plan this will be used as it brings together health and social care needs, as well as their special educational provision.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

The school recognises that pupils at school with medical conditions should be properly supported so that they have full access to education, including school trips and physical education. Some children with medical conditions may be disabled and where this is the case the school will comply with its duties under the Equality Act 2010. ***Please see the schools Medical Policy for further details.***

Children in Hospital

The member of staff responsible for ensuring that pupils with health needs have proper access to education will liaise with other agencies and professionals*, as well as parents/carers, to ensure good communication and effective sharing of information. This will enable optimum opportunities for educational progress and achievement.

* E.g. *medical agencies, Hospital School, DPLS*

SEND Information Report

The school will ensure that the SEND information is accessible on the school website. Governors have a legal duty to publish information on their websites about the implementation of the policy for pupils with SEN. The information published will be updated annually and any changes to the information occurring during the year will be updated as soon as possible.

Monitoring and Accountability

Accessibility

The school is compliant with the Equality Act 2010 and Accessibility legislation. It is fully accessible for wheelchair users as the school is only on a ground floor level and has disabled toilet facility. Bishop School will work hard to develop their accessibility and the schools' accessibility plan detailing how this is being developed can be accessed from the school website.

Storing and Managing Information

Pupil SEND records will be kept in accordance to the DfE guidance contained in "Statutory Policies for schools" (February 2014)

(https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/284301/statutory_schools_policies.pdf)

Responding to Complaints

In the first instance, parent complaints about the provision or organisation of SEND are dealt with through the procedures outlined in the School's Complaints Policy.

If there continues to be disagreement with regard to SEND provision the Local Authority should make arrangements that include the appointment of independent persons with a view to avoiding or resolving disagreements between the parents/carers and the school. This includes access to mediation before tribunal. Parents/carers have a right to appeal to a SEND tribunal at any stage.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

Bishopsteignton Preschool

We provide an environment in which all children with special educational needs and disabilities (SEND) are supported to reach their full potential.

- We have regard for the Special Educational Needs and Disability Code of Practice (2014).
- We have in place a clear approach for identifying, responding to, and meeting children's SEN. We use the 'graduated approach' system, details of which can be accessed in the office.
- We support and involve parents (and where relevant children), actively listening to, and acting on their wishes and concerns.
- We work in partnership with the local authority and other external agencies to ensure the best outcomes for children with SEND and their families.

Procedures

- Our SENDCo is Emma Cully. Support is also available from Lyn Jolly (FS teacher liaison between school and pre-school).
- The SENDCO works closely with colleagues and has responsibility for the day-to-day operation of this policy and for co-ordinating provision for children with SEN.
- We ensure that the provision for children with SEND is the responsibility of all members of the setting.
- We ensure that our inclusive admissions practice ensures equality of access and opportunity.
- We provide a broad, balanced and differentiated curriculum for all children.
- We provide necessary support to ensure early identification of children with SEND.
- Where appropriate, we take into account children's views and wishes in decisions being made about them, relevant to their level of understanding.
- We provide parents with information on local sources of support and advice e.g. DIAS (Devon Information Advice & Support).
- We liaise and work with other external agencies to help improve outcomes for children with SEND.
- We seek support from our Inclusion Partner to ensure further assessment is conducted if required.
- We ensure that all our staff are aware of this policy and the procedures for identifying, assessing and making provision for children with SEND.
- We provide a complaints procedure.
- We monitor and review our policy annually.

Appendix A

Areas of Special Educational Need

Under the SEND Code of Practice 2014 pupils identified as having a special educational need (SEN) will be considered within one or more of the following categories of need:

Cognition and Learning;

Children with learning needs may learn at a slower pace than other children and may have difficulty developing literacy or numeracy skills or understanding new concepts. Learning needs may be in addition to or as a result of other special educational needs.

Children with a specific learning difficulty (SpLD) will have difficulties related to one or more of dyslexia (reading and spelling), dyscalculia (maths), dyspraxia (co-ordination) and dysgraphia (writing).

Learning difficulties cover a wide range of needs, including moderate learning difficulties (MLD), severe learning difficulties (SLD), where children are likely to need support in all areas of the curriculum and associated difficulties with mobility and communication, through to profound and multiple learning difficulties (PMLD), where children are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment.

Cognition and Learning needs include:

- Specific learning difficulties (SpLD)
- Moderate learning difficulties (MLD)
- Severe learning difficulties (SLD), and
- Profound and multiple learning difficulties (PMLD)

Social, Emotional and Mental Health Difficulties

Children may experience a wide range of social and emotional difficulties which manifest themselves in many ways. These may include becoming withdrawn or isolated, as well as displaying challenging, disruptive or disturbing behaviour. These behaviours may reflect underlying mental health difficulties such as anxiety or depression, self-harming, substance misuse, eating disorders or physical symptoms that are medically unexplained.

Other children may have disorders such as attention deficit disorder, attention deficit hyperactive disorder or attachment disorder.

Social, Emotional and Mental Health Difficulties include:

- ADD
- ADHD
- Attachment Disorder

Communication and Interaction needs

Children with speech, language and communication needs (SLCN) have difficulty in communicating with others. This may be because they have difficulty saying what they want to, understanding what is being said to them or because they do not understand or use social rules of communication.

The profile for every child with SLCN is different and their needs may change over time. They may have difficulty with one, some or all of the different aspects of speech, language or social communication at different times of their lives. Children with autism, including Asperger's Syndrome, are likely to have particular difficulties with social interaction. They may also experience difficulties with language, communication and imagination, which can impact on how they relate to others.

BISHOPSTEIGNTON PRIMARY SCHOOL

Governing Board

Communication and Interaction needs include:

- Speech, language and communication needs (SLCN)
- Autism (including Asperger Syndrome)

Sensory and/or Physical needs

Some children require special educational provision because they have a disability and this prevents or hinders them from making use of the educational facilities generally provided. These difficulties can be age related and may fluctuate over time.

Many children with vision impairment (VI), hearing impairment (HI) or a multi-sensory impairment (MSI) will require specialist support and/or equipment to access their learning. Children with an MSI have a combination of vision and hearing difficulties. Some children with a physical disability (PD) require additional ongoing support and equipment to access all the opportunities available to their peers.

Sensory and/or physical needs include:

- Visual impairment (VI)
- Hearing impairment (HI – including Deaf and hearing impairment)
- Multi-sensory impairment (MSI - sometimes referred to as Deafblind)
- Physical disability (PD).

Appendix B:

We recognise that transitions can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

If your child is moving to another school:

- *We will contact the school SENCO and ensure that they know about any special arrangements or support that need to be made for your child.*
- *We will make sure that all records about your child are passed on as soon as possible.*

When moving classes in school:

- *Information will be passed on to the new class teacher in advance and in most cases a planning meeting will take place with the new teacher.*
- *If relevant, professional reports and IEP's will be shared with the new teacher.*
- *The school has extended the in house transition arrangements to support all children. Personalised transition arrangements are made for individual children with a high level of need.*
- *Transition books for children with a high level of need are made containing photographs of the child's new teachers, classroom, etc for your child to take home with them over the summer holidays so that they can become familiar with everything whilst they are not in school.*

When moving into Bishopsteignton School during the academic year:

- *We will meet with you and your child to discuss their needs and decide how to best transition into our school.*
- *We will liaise with previous school SENCO to discuss the provision and obtain records from external agencies.*
- *Organise a TAF meeting within first term after starting to discuss the transition and ongoing support.*

In Year 5/6:

- *If your child has an EHCP, we will hold a transfer review meeting in year 5 in preparation for secondary school.*
- *We fully support parents and carers in making decisions about the secondary school they choose for their children and work with them to ensure the smooth transition from KS2 to KS3.*
- *The SENCO and/or class teacher will discuss the specific needs of your child with the SENCO of their secondary school.*
- *Your child will have opportunities to learn about aspects of transition to support their understanding of the changes ahead.*
- *Where possible your child will visit their new school on several occasions and in some cases staff from the new school will visit your child in this school.*
