

### MESSAGE FROM THE HEAD

Dear Parents/carers,

This week our children in year 1 - 5 have been carrying out their termly assessments and have worked really hard trying their best. Also this week our reception children had a wonderful day out at Buckinghamshire Steam railway!

On Monday we had eight poetry teams enter the Group Poetry competition in the Bedfordshire Speech and Drama Festival at the Corn Exchange with one of our year 4 and year 6 teams both winning their categories. On Tuesday our junior choir also won their category with our senior choir coming a very respectable fourth. As well as this we were delighted to hear that our Senior choir have won an award as the most promising choir in the festival and we have been awarded a £250 prize from the Bedford Coral Society! Huge well done to everyone. As well as this our choirs have been recognised and asked to perform on the main stage at this years Bedford River festival!

Have a lovely weekend.

Mrs Burgess  
Headteacher

## Bedfordshire Mobile Library

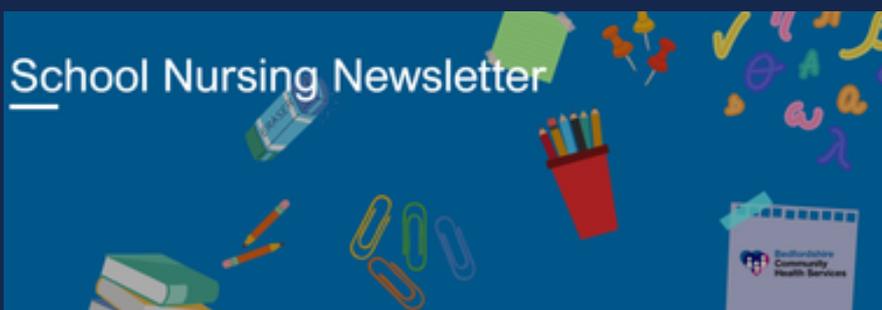

We have been incredibly lucky to secure a regular visit from the mobile library. It will visit our school car park every other **Thursday from 10:00am -10:45am**. As we only have a limited time to use the library, we are unable to enable all pupils to access the service and a smaller group of children have been selected. We will update this group throughout the year and you will be contacted if your child is selected.

As the library service are always eager to get more people using the service, we would welcome any families of the school to use the library whilst it is on site. You are also welcome to bring any younger siblings that aren't yet at school. If you need to sign up for a library card, you can do so online or on the mobile library itself.

The following link contains the timetable for the service:

We are pleased to share with you the first issue of our new School Nursing Newsletter, created by the 0–19 School Nursing Team (Bedfordshire & Luton). This newsletter will be issued termly and is designed to keep parents and carers updated on key health messages, support available from our service and information that supports the wellbeing of children, young people, and families.
