12TH JUNE - ISSUE 33

Headteacher's Welcome

It has been a week of mixed emotions in school, marked by both celebration and heartfelt goodbyes. Today, during our Best You Can Be assembly, we said a fond farewell to Mrs Ainsworth. She was truly bowled over by the warm wishes from the children and their families; a reflection of the deep impact she has had on our school community. We wish her every happiness as she begins her new chapter on the mainland.

We also have much to celebrate. A huge congratulations to all our Year 4 children for their fantastic performance in the Multiplication Check this week. Their hard work and determination have really shone through. Equally impressive are our Year 1 pupils, who absolutely smashed their Phonics Screen. The progress they have made has been staggering, and we are incredibly proud of each and every one of them.

This week, we were delighted to welcome Island Waste, who delivered engaging recycling workshops exploring different materials and the best ways to dispose of them responsibly. The children were fascinated and asked thoughtful questions throughout.

We have also been fortunate to host a group of students visiting from France, who joined us for work experience as part of their efforts to improve their spoken English. The children thoroughly enjoyed working with them and practising their French, and the visitors will return home to Normandy tomorrow with many happy memories.

Wishing all our families a restful weekend as we look ahead to another positive week together

Year 6

This week, Year 6 welcomed Ella, the Education Officer from Veolia and the Isle of Wight Council, in to talk to the children about recycling and waste. It was a very informative session, where the children learnt lots about items that they can and can't recycle, and what bins items should be put into. The children also learnt about the dangers of putting batteries into the bins and not recycling them correctly- with several videos of exploring batteries seen! The children also looked into ways that they can avoid wastage, such as turning off lights, not wasting food or not using plastic bottles. The class enjoyed watching videos of the process of recycling on the Isle of Wight. Do you know what the biggest food wastage is? Potatoes! Well done to Harry for dressing up as a potato to reveal the answer. Thank you to Mrs Miller for organising this session for the children.

Year 5

In our music lesson this week, the children have been creating graphic scores using colour. Last week they learnt about synesthesia and how some people can see colour when they hear music. They listened to Hedwig's Theme from Harry Potter and made a record of what colours they imagine.

Year 4

Well done, Year 4, for an amazing week! Everyone has worked incredibly hard in their assessments, and all the children have done exceptionally well. We have also completed our Multiplication Times Table Check, and all the hard work since September has really shown in the fantastic results.

In Science, we are enjoying our topic on famous scientists, researching Alexander Graham Bell and Thomas Edison and learning about the inventions they created and the contributions they made to the world of science.

Year 3

This week, Year 3 have been learning all about money.

We explored the different coins and notes used in the UK, and discussed how we use money to pay for goods and services.

The children also learned about different ways to make payments, including cash, cards, and contactless technology.

We represent pence with 'p' and pounds with '£'.

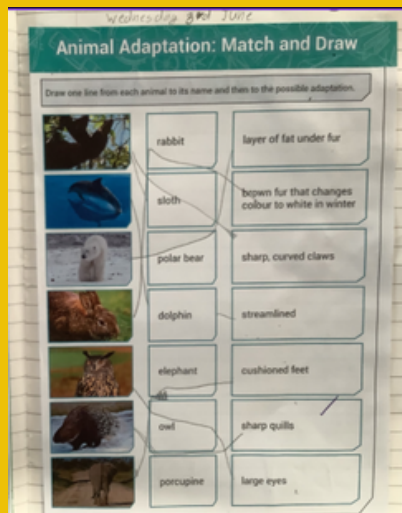

pence						
	1p	2p	5p	10p	20p	50p
pounds						
	£1	£2	£5	£10	£20	£50

Year 2

Over the last two weeks, in Science, year 2 have been learning about animals and their habitats.

We have been thinking about why certain animals are suited to their environments.

Year 1

Year One

English

In English Year One have started their new story book for English. It is 'Mr Tiger Goes Wild' by Peter Brown. Before they read the story the children looked at the front cover and had a go at predicting what might happen in the story, who the main character was going to be and why the tiger was wearing a suit and a top hat? The children also used all the sounds we have been learning this year to label the different parts of Mr Tiger. Everyone worked very hard and we are so proud of the work they produced. Well Done Year One!

EYFS

This week Reception class have continued to think about the sea. They have painted seascapes and have written some lovely sentences about the sea.

Best You can Be

Dotty - For working so hard at reading with fluency.

Joshua - For trying really hard with his writing and using adventurous vocabulary.

Lily - For excellent effort when writing a diary entry in English.

All of Year 4 - For working so hard this year and thaving amazing results in the Multiplication Times Tables Check!

All of Year 5 - For their amazing work this week in their assessments.

Gabby - For showing resilience in Maths this week.

Wraparound Care

There was, as always, lots to do this week at Wrap Around Club. We played games in the hall, created with art materials, dodged the showers outside and had lots of movement breaks as well. All in all another very successful week!

Gardening Club

We had a fantastic gardening club session this week.. The children did a brilliant job creating two lovely "Garden on a plate" entries for the Bembridge Horticultural Society show this Saturday. Entry forms were submitted this afternoon. We'll deliver the plates and attend the show on Saturday. I'll let you know how it goes. :)

Lunch and Breaktime Club

Our Lunch and Breaktime Club offers pupils a calm, welcoming indoor space to relax and recharge during the school day. Children can enjoy quiet activities such as colouring, Lego, games and crafts while spending time chatting and connecting to friends in a supportive environment away from the busy playground. The club is designed to provide an adult supported peaceful space for pupils who may benefit from a quieter breaktime experience.

**Your Next Flourish Event is Friday, 17th July,
And the theme will be Esther!**

This will be last event with Rev. Steve as our Vicar! Please do join us for more fun, laughter and FOOD, and help us thank Steve and his wife Amanda, and wish them a very happy retirement.

*If you are considering joining us for the first time,
please know that we would love to see you!*

The Flourish Family Events are open to **every child** in school, KS1 and KS2. Children need to attend the events with a responsible adult and as long as the school and Heather are made aware, parents can coordinate together: 1 adult per 4 children. Siblings younger and older are all

welcome. Invitations go out the Friday before the Event, but you can book at any time. Please note that there is a slight change on the admin side, in that the school and Flourish team would like you to respond directly to Heather, via her school email:

h.gray-newton@bembridgeceprimary.co.uk

Please give the following information:

1. The name of your children attending (incl. siblings)
2. Their year group
3. The name and relationship of the adult(s) attending and responsible for each child.

REMINDER: Parents are to collect their children from school, as usual, and then come into the Flourish Event together, via the Main Reception. **Parents and children must come in together.**

NEW INFORMATION: For when it is appropriate through the year, please know that it's absolutely fine for you and your child/children to arrive later after swimming. Please just come in quietly, register and take a seat! Thank you!

The children are coached in advance, so that they lead and participate as much as possible. Each event is **FREE** and this is what you can typically expect!

* A Warm Welcome - with refreshments and snacks, along with an initial activity for the children to enjoy!

* An Interactive Story

* 60second Sermon!

* Songs - that ALL the children that wish to, can participate

* Choice of Creative Activities

* Prayers and Blessing

* Food! – Approx. 4.15pm start.

The Next Contemporary Service: Rev. Steve warmly invites you to join in with our, new Contemporary Worship Service this weekend!

Curious about faith, or just wondering if there's more to life?

Join us for praise and worship
4pm - 5pm on Sunday, 21st July.

Everyone is welcome at our new relaxed, modern service at Holy Trinity Bembridge.

There will be coffee, live modern music and a short thought provoking talk about life and hope.

It could be exactly what you have been looking for.

With kind regards,

Heather (Flourish Lead)

A Prayer for Truthfulness

Dear God,

Help us to be people who speak with honesty and act with integrity.

Give us the courage to tell the truth, even when it feels difficult, and the wisdom to choose what is right in our words and actions.

May our truthfulness build trust, kindness and respect in our school community.

Amen.

Extra-Curricular Sports Information Guide

At Bembridge CE Primary School, we believe that sport should be enjoyable, inclusive, and accessible to every child. Our extra-curricular programme offers a wide range of opportunities for pupils to stay active, learn new skills, and represent the school with pride.

After-School Sports Clubs

We offer a variety of after-school clubs throughout the year, giving children the chance to explore different sports and develop their confidence. Activities range from football and tag rugby to skateboarding and other exciting options.

- Clubs change each term
- New information is shared ahead of each half term
- All children are welcome to join, regardless of experience

These clubs focus on enjoyment, skill-building, and encouraging children to try something new.

Competitive Sports Opportunities

Mr Collings, supported by Mrs Howells, organises a wide range of competitive fixtures with schools across the Island—and occasionally on the mainland. These events give children the chance to challenge themselves, work as a team, and experience the excitement of representing Bembridge.

How team selection works

- Children who have shown interest in a particular sport may be invited to take part
- Selection depends on the competitiveness of the match
- Teams are often organised with Island sports coordinators to ensure fair and balanced games
- The school is committed to providing equal opportunities for girls and boys

This approach helps ensure that matches are enjoyable, well-matched, and positive experiences for all involved.

Friendly Matches

For friendlies, a wider range of children may be invited to participate. These fixtures are ideal for pupils who want to gain experience, try out a new sport, or simply enjoy being part of a team.

Because of the number of children interested, not everyone will play in every match. However, our aim is that as many children as possible have the chance to represent the school by the end of the year.

Sport for Fun: Festivals & Events

Not all sport has to be competitive. For children who prefer a more relaxed, fun-focused approach, we offer:

- Change for Life Festivals
- The Peach Games

These events celebrate participation, teamwork, and enjoyment, making them perfect for children who want to be active without the pressure of competition.

Getting Involved

Children who are interested in representing the school—whether competitively or in friendly festivals—are encouraged to speak to:

- Mr Collings
- Mrs Howells, during PE
- Putting their name on the 'Who is interested?' sheet with their class teacher.

We welcome enthusiasm at every level and love seeing pupils take pride in their sporting journey.

Safeguarding Information

If you have a safeguarding concern about a child, please phone the school office 01983 872668 and ask to speak to the Designated Safeguarding Lead: Mrs Wall or the Deputy Designated Safeguarding Leads: Mrs Lingard-Lane, Mrs King or Mrs Swinscoe.

If your concern is URGENT, please contact:
Children's Service MASH telephone number - 01983 823435

Attendance Policy Quick Guide for Parents

We expect pupils to attend school for 100% of the academic year.

- You can support your child to have excellent attendance by taking these steps:
- ·Ensure your child arrives on time for school every day between 8:20am and 8:30am and is ready to learn. Arriving after registration is recorded as an unauthorised absence. Pupils must be in school by 8:30 am.
- ·Avoid taking holidays during term time.
- ·If your child appears to be only slightly ill, send them in to school. We have staff who will contact you if their condition deteriorates.
- ·Book any medical appointments outside of school hours. If this is unavoidable, please book for as late in the afternoon as possible and inform the school of appointments in advance.
- ·Supply a copy of the appointment card or hospital letter if your child has an appointment during school hours.

If your child becomes reluctant to go to school or you need help, please contact the school immediately; we are more likely to be able to work together to solve any problems if we act early.

‘On the day’ absences: what should I do if my child is not ‘fit’ to go into school?

On each day your child is unfit to come to school, please report this absence by calling the Attendance line on 01983 872668 (option1) before 8:20am or by email to office@bembridgeceprimary.co.uk to let us know.

In the message you must leave your child’s full name, year and tutor group and give the specific reason for absence. The information you give will be recorded on our official register.

Punctuality

Pupils are expected to arrive on time for school in the morning at 8:30am and for every lesson during the day. Your child is late to school if they are not in the school building by 8:30am and will be classed as an unauthorised absence if after 8:50am. The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children's attainment. I hope we can count on your support in this matter.

Please contact Emma Swinscoe, Administration and Attendance Officer if you require any support with ensuring your child's regular school attendance.

Needing support?

If we don't know, we can't help.

Please get in touch if you are in need of any support regarding your family: such as housing, finances, food banks, clothing, parenting advice, etc. Contact the office to arrange a conversation with Mrs Swinscoe, Mrs Lingard-Lane or Mrs King who can give you information on support available.

Neurodivergence	Behaviour		Routines	(Child to Parent Violence and Aggression)		Adolescence	Awareness
<p>Understanding Neurodivergence Through the Child's Perspective:</p> <p>Explores the lived experiences of neurodivergent children, with a focus on ADHD and Autism. This session highlights how traits may present uniquely in different individuals and offers inclusive, strengths-based strategies to support regulation, connection, and wellbeing. Emphasis is placed on seeing the world through the child's lens, honouring their ways of thinking, feeling, and interacting.</p>	<p>Exploring the Science of Behaviour Through a Neurodiversity Lens:</p> <p>Introduces compassionate frameworks for understanding behaviour as communication. Topics include the iceberg model, window of tolerance, Maslow's hierarchy of needs, and the assault cycle, all explored in ways that respect individual differences in regulation, sensory processing, and unmet needs. The focus is on building insight and empathy to support co-regulation and connection.</p>	<p>Exploring Supportive Parenting in the Context of Anxiety:</p> <p>Considers how different parenting approaches can influence anxiety-related behaviours, with reference to Bowlby, Baumrind and Ainsworth's foundational work on attachment. This is not a parenting course, but an opportunity to reflect on how our caregiving styles may interact with neurodivergent experiences and shape emotional development across life.</p>	<p>Exploring the Power of Predictability and Supportive Boundaries:</p> <p>This session highlights how consistent routines and clear, compassionate boundaries can create a sense of safety and autonomy for all family members. Together, we'll explore different types of boundaries and co-develop practical, flexible strategies to introduce or reintroduce structure in ways that are tailored to each individual's needs and strengths.</p>	<p>Understanding Child-to-Parent Distress Responses:</p> <p>An overview of behaviours such as aggression explored through the lens of perceived unmet needs, emotional regulation and relationships. Includes practical tools like safety planning, the communication wheel, de-escalation strategies and key concepts such as Dan Siegel's flipping the lid. Emphasises compassionate, strengths-based support for both children and caregivers.</p>	<p>Supporting Restful Sleep in Neurodivergent Children:</p> <p>Explores gentle, flexible strategies to nurture healthy sleep patterns, with insights informed by guidance from the Southampton Sleep Clinic. This session recognises the diverse sensory, emotional, and cognitive needs that can influence sleep, and offers practical, compassionate approaches that honour each child's unique rhythms and experiences.</p>	<p>Embracing the Adolescent Journey:</p> <p>Exploring the natural evolution of identity, brain development, emotional regulation, and how to offer strengths-based, inclusive support</p>	<p>Navigating Seasonal Sensory Experiences:</p> <p>Explores how transitions, traditions, and celebrations such as Halloween, Bonfire Night, and Christmas can influence sensory processing and regulation. This session reflects on the impact of increased sensory input during these times and offers inclusive, sensory-friendly strategies and alternatives that consider individual needs and promote comfort, connection, and joy.</p>
