26TH JUNE - ISSUE 35

Headteacher's Welcome

It has been an extraordinary week in school as we all navigated the intense heatwave. I am incredibly proud of the children's resilience during such uncomfortable conditions, and it was heart-warming (and often amusing) to see the creative ways everyone found to keep cool—from shady outdoor classrooms to indoor foot spas.

As temperatures rose throughout the building, we had to make swift decisions, and I would like to thank our families for their fantastic support: collecting children early, responding quickly to messages, and even supplying fans. Our wonderful PTA also arrived armed with ice lollies, bringing much-needed relief and plenty of smiles. There was lots of water fun and calm, cool-down time across the school.

Thankfully, the drop in temperature means we are now able to welcome you to KS2 Sports Day on Monday.

Wishing you all a safe and relaxing weekend!

Year 6

This week, Year 6 have started to design their fairground ride in DT. The class looked at different examples of fairground rides and explored and discussed how each one worked. After this, the children started designing their own fairground, thinking carefully about how they would make it spin or rotate and the design of the attraction. The class are looking forward to next week where they will begin making their fairground rides.

Year 5

Year 5 have done so well this week despite how hot it has been. Earlier in the week, their PE lesson was moved inside and they all took part in table tennis. They had an amazing time and showed off some great skills at both playing and refereeing the games. They have enjoyed spending time outside in the shade to complete some maths and watching Prince of Egypt for our RE lessons learning about the Exodus story. The children showed they remembered the story and could explain why events were happening to others.

Year 4

This week, we completed our learning journey based on Give Bees a Chance. The children enjoyed exploring the text and developing their reading and writing skills through a range of engaging activities.

We are excited to begin our next learning journey based on Arthur and the Golden Rope.

We look forward to discovering this exciting story and using it as inspiration for our reading and writing over the coming weeks.

In Science, we learned about the life and work of Marie Curie. The children explored her important contributions to science, including her work with X-rays and the development of mobile X-ray units that helped doctors treat injured soldiers during World War I.

Thank you to all the children for their hard work and resilience this week. We hope everyone has a wonderful weekend.

EYFS

Best You can Be

All of Year One - For being so sensible and calm during the heat this week.

Esther - For sharing her knowledge in RE and having a very good understanding of the story of Zacchaeus.

Thomas - For demonstrating an excellent understanding of Roman Numerals.

Alexandra - For always coming into school with a smile, supporting her peers and working to a high standard in all her work.

Isla - For showing the school values of love, courage and respect.

Max - For good effort for all lessons this week during the hot weather.

Your Next Flourish Event is Friday, 17th July,

And the theme will be Esther!

This will be last event with Rev. Steve as our Vicar! Please do join us to wish him a very happy retirement. Further photos from the last Flourish Family Event!

*If you are considering joining us for the first time,
please know that we would love to see you!*

The Flourish Family Events are open to **every child** in school, KS1 and KS2. Children need to attend the events with a responsible adult and as long as the school and Heather are made aware, parents can coordinate together: 1 adult per 4 children. Siblings younger and older are all welcome. **Invitations go out the Friday before the Event, but you can book at any time. Please note** that there is a slight change on the admin side, in that the school and Flourish team would like you to respond directly to Heather, via her school email:

h.gray-newton@bembridgeceprimary.co.uk

Please give the following information:

1. The name of your children attending (incl. siblings)

2. Their year group

3. The name and relationship of the adult(s) attending and responsible for each child.

REMINDER: Parents are to collect their children from school, as usual, and then come into the Flourish Event together, via the Main Reception. **Parents and children must come in together.**

NEW INFORMATION: For when it is appropriate through the year, please know that it's absolutely fine for you and your child/children to arrive later after swimming. Please just come in quietly, register and take a seat! Thank you!

The children are coached in advance, so that they lead and participate as much as possible. Each event is **FREE** and this is what you can typically expect!

* **A Warm Welcome** - with refreshments and snacks, along with an initial activity for the children to enjoy!

* **An Interactive Story**

* **60second Sermon!**

* **Songs** - that ALL the children that wish to, can participate

* **Choice of Creative Activities**

* **Prayers and Blessing**

* **Food!** – Approx. 4.15pm start.

The Next Contemporary Service: Rev. Steve warmly invites you to join in with our, new Contemporary Worship Service this weekend!

Curious about faith, or just wondering if there's more to life?

**Join us for praise and worship
4pm - 5pm on Sunday, 21st July.**

Everyone is welcome at our new relaxed, modern service at Holy Trinity Bembridge.

There will be coffee, live modern music and a short thought provoking talk about life and hope.

It could be exactly what you have been looking for.

With kind regards,

Heather (Flourish Lead)

A Prayer for Resilience

Dear God,

Help us to grow in resilience each day.

When things feel challenging,

give us the strength to keep going,

the courage to try again,

and the hope to believe we can succeed.

May we support one another with kindness,

and face each new day with determination and joy.

Amen.

Extra-Curricular Sports Information Guide

At Bembridge CE Primary School, we believe that sport should be enjoyable, inclusive, and accessible to every child. Our extra-curricular programme offers a wide range of opportunities for pupils to stay active, learn new skills, and represent the school with pride.

After-School Sports Clubs

We offer a variety of after-school clubs throughout the year, giving children the chance to explore different sports and develop their confidence. Activities range from football and tag rugby to skateboarding and other exciting options.

- Clubs change each term
- New information is shared ahead of each half term
- All children are welcome to join, regardless of experience

These clubs focus on enjoyment, skill-building, and encouraging children to try something new.

Competitive Sports Opportunities

Mr Collings, supported by Mrs Howells, organises a wide range of competitive fixtures with schools across the Island—and occasionally on the mainland. These events give children the chance to challenge themselves, work as a team, and experience the excitement of representing Bembridge.

How team selection works

- Children who have shown interest in a particular sport may be invited to take part
- Selection depends on the competitiveness of the match
- Teams are often organised with Island sports coordinators to ensure fair and balanced games
- The school is committed to providing equal opportunities for girls and boys

This approach helps ensure that matches are enjoyable, well-matched, and positive experiences for all involved.

Friendly Matches

For friendlies, a wider range of children may be invited to participate. These fixtures are ideal for pupils who want to gain experience, try out a new sport, or simply enjoy being part of a team.

Because of the number of children interested, not everyone will play in every match. However, our aim is that as many children as possible have the chance to represent the school by the end of the year.

Sport for Fun: Festivals & Events

Not all sport has to be competitive. For children who prefer a more relaxed, fun-focused approach, we offer:

- Change for Life Festivals
- The Peach Games

These events celebrate participation, teamwork, and enjoyment, making them perfect for children who want to be active without the pressure of competition.

Getting Involved

Children who are interested in representing the school—whether competitively or in friendly festivals—are encouraged to speak to:

- Mr Collings
- Mrs Howells, during PE
- Putting their name on the 'Who is interested?' sheet with their class teacher.

We welcome enthusiasm at every level and love seeing pupils take pride in their sporting journey.

Safeguarding Information

If you have a safeguarding concern about a child, please phone the school office 01983 872668 and ask to speak to the Designated Safeguarding Lead: Mrs Wall or the Deputy Designated Safeguarding Leads: Mrs Lingard-Lane, Mrs King or Mrs Swinscoe.

If your concern is URGENT, please contact:
Children's Service MASH telephone number - 01983 823435

Attendance Policy Quick Guide for Parents

We expect pupils to attend school for 100% of the academic year.

- You can support your child to have excellent attendance by taking these steps:
- ·Ensure your child arrives on time for school every day between 8:20am and 8:30am and is ready to learn. Arriving after registration is recorded as an unauthorised absence. Pupils must be in school by 8:30 am.
- ·Avoid taking holidays during term time.
- ·If your child appears to be only slightly ill, send them in to school. We have staff who will contact you if their condition deteriorates.
- ·Book any medical appointments outside of school hours. If this is unavoidable, please book for as late in the afternoon as possible and inform the school of appointments in advance.
- ·Supply a copy of the appointment card or hospital letter if your child has an appointment during school hours.

If your child becomes reluctant to go to school or you need help, please contact the school immediately; we are more likely to be able to work together to solve any problems if we act early.

‘On the day’ absences: what should I do if my child is not ‘fit’ to go into school?

On each day your child is unfit to come to school, please report this absence by calling the Attendance line on 01983 872668 (option1) before 8:20am or by email to office@bembridgeceprimary.co.uk to let us know.

In the message you must leave your child’s full name, year and tutor group and give the specific reason for absence. The information you give will be recorded on our official register.

Punctuality

Pupils are expected to arrive on time for school in the morning at 8:30am and for every lesson during the day. Your child is late to school if they are not in the school building by 8:30am and will be classed as an unauthorised absence if after 8:50am. The Government remains very clear that no child should miss school apart from in exceptional circumstances and schools must continue to take steps to reduce absence to support children's attainment. I hope we can count on your support in this matter.

Please contact Emma Swinscoe, Administration and Attendance Officer if you require any support with ensuring your child's regular school attendance.

Is my child well enough to attend school today?

You may find the following website useful to refer to, if you are concerned whether your child is well enough to attend.

Needing support?

If we don't know, we can't help.

Please get in touch if you are in need of any support regarding your family: such as housing, finances, food banks, clothing, parenting advice, etc. Contact the office to arrange a conversation with Mrs Swinscoe, Mrs Lingard-Lane or Mrs King who can give you information on support available.

Neurodivergence	Behaviour		Routines	(Child to Parent Violence and Aggression)		Adolescence	Awareness
<p>Understanding Neurodivergence Through the Child's Perspective:</p> <p>Explores the lived experiences of neurodivergent children, with a focus on ADHD and Autism. This session highlights how traits may present uniquely in different individuals and offers inclusive, strengths-based strategies to support regulation, connection, and wellbeing. Emphasis is placed on seeing the world through the child's lens, honouring their ways of thinking, feeling, and interacting.</p>	<p>Exploring the Science of Behaviour Through a Neurodiversity Lens:</p> <p>Introduces compassionate frameworks for understanding behaviour as communication. Topics include the iceberg model, window of tolerance, Maslow's hierarchy of needs, and the assault cycle, all explored in ways that respect individual differences in regulation, sensory processing, and unmet needs. The focus is on building insight and empathy to support co-regulation and connection.</p>	<p>Exploring Supportive Parenting in the Context of Anxiety:</p> <p>Considers how different parenting approaches can influence anxiety-related behaviours, with reference to Bowlby, Baumrind and Ainsworth's foundational work on attachment. This is not a parenting course, but an opportunity to reflect on how our caregiving styles may interact with neurodivergent experiences and shape emotional development across life.</p>	<p>Exploring the Power of Predictability and Supportive Boundaries:</p> <p>This session highlights how consistent routines and clear, compassionate boundaries can create a sense of safety and autonomy for all family members. Together, we'll explore different types of boundaries and co-develop practical, flexible strategies to introduce or reintroduce structure in ways that are tailored to each individual's needs and strengths.</p>	<p>Understanding Child-to-Parent Distress Responses:</p> <p>An overview of behaviours such as aggression explored through the lens of perceived unmet needs, emotional regulation and relationships. Includes practical tools like safety planning, the communication wheel, de-escalation strategies and key concepts such as Dan Siegel's flipping the lid. Emphasises compassionate, strengths-based support for both children and caregivers.</p>	<p>Supporting Restful Sleep in Neurodivergent Children:</p> <p>Explores gentle, flexible strategies to nurture healthy sleep patterns, with insights informed by guidance from the Southampton Sleep Clinic. This session recognises the diverse sensory, emotional, and cognitive needs that can influence sleep, and offers practical, compassionate approaches that honour each child's unique rhythms and experiences.</p>	<p>Embracing the Adolescent Journey:</p> <p>Exploring the natural evolution of identity, brain development, emotional regulation, and how to offer strengths-based, inclusive support</p>	<p>Navigating Seasonal Sensory Experiences:</p> <p>Explores how transitions, traditions, and celebrations such as Halloween, Bonfire Night, and Christmas can influence sensory processing and regulation. This session reflects on the impact of increased sensory input during these times and offers inclusive, sensory-friendly strategies and alternatives that consider individual needs and promote comfort, connection, and joy.</p>
