Enrichment Week

What a cracker of a week we had!! Every single day brought so much excitement, joy and wow factor! It was wonderful to welcome so many parents and grandparents in over the course of the week too to be part of some of the wonderful experiences. Our Enrichment Week in numbers was...

32...the number of workshops which took place!

120...the number of parents/carers/grandparents that have joined us!

22,000...the number of bricks used on Monday!

£3,659...the price of all the workshops combined (Cocoa Tree very generously did it for free!).

9...the number of countries visited on the Virtual Reality journey!

5,000...milk chocolate buttons melted to make chocolate lollies!

Impossible to count...the sheer number of smiles seen on the faces of the children (and adults!) throughout the week!

St Joseph's Penny fundraising will recommence this week with Class 3 taking over the reins. Their additional charity will be Rossendale Hospice. Please keep the boxes of change coming in also to be emptied and your child's name goes on a brick on our fundraising wall.

Parents Evening for Years R—5 will be on Thursday 11th April 2pm—7pm. Appointment booking information to follow.

Reconciliation for our Year 3 Sacramental Programme children is this Tuesday at 6pm. Please keep these children in your prayers.

Holy Week is only 2 weeks away. As usual we ask children to bring in 3 HARD BOILED EGGS on **Monday 25th March**. These will be used for egg decorating and egg pacing across the yard. The children will also all make and decorate an Easter bonnet for a bonnet parade. Please can they bring in Easter craft items to make their bonnets and decorate their eggs (I was in Home Bargains last week and saw lots!) Easter Bingo will take place on Wednesday 27th—doors open at 1.45pm with an aim to start at 2pm. Assembly will be on Thursday 28th at 9.15am then school will close at 2.15pm for the Easter holidays.
