

12<sup>th</sup> February 2026

Dear Year 6 Parents and Carers,

### **SATs Club 2026**

Over the coming term, our Year 6 pupils will be revisiting key skills and consolidating their learning in preparation for secondary school. We want every child to feel confident and ready to demonstrate their knowledge in the statutory Key Stage 2 SATs in May.

Following the continued success of SATs Club, we are pleased to invite all Year 6 pupils to attend each Tuesday from **3:20–4:00pm**. The first session will be general arrangements/house-keeping and the children will be put into small groups led by the teaching staff.

SATs Club is designed to build confidence and provide focused support in the lead-up to the tests. All teaching staff will be involved each week — Tuesday is the only evening when all staff are available, which makes this session particularly valuable.

This club is for all pupils and is in addition to any booster groups your child may also be invited to attend. Our aim is to create a purposeful, supportive environment where children can recognise their strengths and refine the skills they need to develop. A biscuit and squash will be provided to give everyone an after-school boost. The children will work in small groups with one of the teachers and complete targeted activities based on individual needs. They should also bring their CGP homework books (English – Reading Comprehension or Maths) in line with the timetable below.

After half term, we will share a SATs information PowerPoint on Google Classroom. A leaflet will also be available to collect at Parents' Evening.
