**REMINDER - INSET DAY FRIDAY 13<sup>th</sup> FEBRUARY  
SCHOOL WILL BE CLOSED FOR THE CHILDREN FOR STAFF TRAINING**

Mrs. Dickins and I met with the PTA this morning to discuss planned events for the rest of the year. Thank you for your feedback regarding the discos. The Spring Term disco will be held in April on a Friday, following requests from some parents and carers. The PTA is currently looking for a disco provider to make this a memorable event for the children.

As all of you are members of the PTA, we encourage everyone to sign up and help in any way you can to make our events truly fantastic for the children.

We were pleased to welcome Luke Consiglio from The Pantry into school today, along with David Simmonds the MP for Ruislip, Northwood and Pinner. The visit was arranged by The Pantry with the aim of the visit to support efforts to increase meal funding for schools; an important issue that directly impacts the quality of provision offered. The visit caused great excitement amongst the children with many wondering if they might appear on TV some were disappointed to learn that they will not be featured in the final footage.

After last week's visit by poet Kate Wakeling, we were delighted to receive lovely feedback – thank you Year 3!

'Just a quick note to say thank you so much for having me at the school yesterday. It was a real pleasure to visit the school and I was so impressed by the imagination and focus of the Year 3 classes. I thought they did totally brilliantly with their writing and all that memorised poetry was also such a delight to see in action! Thanks so much to you and the other staff members for preparing for and supporting the day so thoughtfully – it makes a huge difference.'

Next Wednesday is Young Voices at Wembley. We were so fortunate to once again secure a place for Frithwood as this is a popular regional event. The children will be accompanied by Mrs Nockles, Mrs Bryant and Mrs Greer- we're looking forward to hearing all about it!

Please take time to read the important information in the letter sent out earlier today about Martyn's Law to help your child feel prepared for next week's practice.

Have a lovely weekend,  
Mrs Saunders

**NETBALL MATCH**

On Wednesday, the Frithwood netball team played a match against Ruislip Gardens. The netball team consisted of: Arya, Amy, Dia, Aanya ,Shivani, Michelle, Elaina, Izabella and Amelia . They had great fun and really enjoyed it. All the team demonstrated great skills and it was a nail-biting last quarter going goal for goal at each centre pass. They played excellently as a team and were full of enthusiasm for our next netball match. It was a fair game, ending with a score of 5-5.

## KS2 BEBRAS CHALLENGE SUCCESS

We are incredibly proud of the children who took part in the Bebras Computational Thinking Challenge last term. Bebras is an international competition that develops pupils' problem-solving and logical thinking skills through a series of engaging and thought-provoking challenges.

The children worked very hard and their results are a real credit to them. A number of pupils achieved **Gold** (top 10% nationally), **Distinction** (top 25% after gold) and **Merit** (next 25% after distinction) awards, with some also being recognised as **Best in School** — a fantastic accomplishment. Parents should be extremely proud of their children's achievements. All pupils who took part will have brought home a certificate to celebrate their success.

Well done to everyone involved — a brilliant effort all round!
