A FOND FAREWELL AND HEARTFELT THANKS

With heavy hearts and the deepest affection, we bid a fond farewell to our wonderful PTA Chair, Nikki Edgar, whose time at the school has now come to a close as her youngest child begins their new adventure in secondary school.

What an incredible family legacy you leave behind. Juggling a full-time job while leading the PTA is no small feat — yet you've done it with unwavering commitment, passion, and grace. Over the years, your family has been an integral part of school life. From tirelessly running the Summer Fair BBQ to helping at countless events, your children (and even older siblings long after they had left the school) have continued to contribute — whether manning stalls, filling sweet bags or providing music for school discos.

Your care for our community and generous spirit are clearly part of your family's DNA

Thanks to your vision and drive, the impact you've made will be felt for many years to come. The funds raised under your leadership and the valuable educational tools acquired have directly supported our shared mission: to enrich every child's learning journey through school.

From all of us — thank you. You will be missed more than words can say.

A WARM WELCOME TO OUR NEW PTA CHAIR

We are absolutely delighted to welcome, Priya Joshi as the new Chair of the PTA!

Thank you for stepping up to lead our wonderful band of dedicated and enthusiastic parents. Your willingness to take the helm is truly appreciated, and we're excited to see how your ideas and energy will help shape the fun, engaging events we create — all while raising vital funds to support both today's and future students of our school.

We know you'll enjoy being Chair of the PTA as much as our outgoing Chair has. Over the years, the PTA has gone from strength to strength, growing into a vibrant and passionate team. We are confident you have inherited something very special.

With your leadership and the continued support of our incredible PTA family, the future looks bright!

Welcome aboard — we're so pleased to have you.

Following a successful AGM, here are a few highlights for those unable to attend. Huge thank you to all that came, it was lovely to see old and new faces out supporting us at the PTA!

A few young pupils from Frithwood Primary School, from a small London town Northwood, have offered to run in the mini London marathon. These brave souls are attempting to raise funds for their fellow students to help enrich the educational opportunities for all!

All funds raised will help fund technology in the classrooms, day trips to museums and sporting facilities. Thank you for supporting our students and community.
