OPEN MORNING MONDAY 1ST DECEMBER AT 10.00A.M
PLEASE SHARE WITH PROSPECTIVE FAMILIES

The children and staff looked fabulous today in their festive wear. I loved admiring the favourite outfits, sparkles and accessories! Thank you for the kind donations you have made in return for a dress up day.

Elfridges is next week – don't forget to buy a ticket; if you haven't dropped a donation off yet you can still do so on Monday.

The EYFS and KS 1 children are in the throes of their rehearsals for our annual Christmas performances. They sound absolutely great! You are in for a treat; make sure you get your ticket to a performance on the Parent evening booking system.

The Parent Governor election is now closed and I will be looking forward to welcoming on board two new governors. Next Friday 5th December is also our annual Governor Day which is a wonderful opportunity for the board to see the school in action and to hear in detail about our school improvement priorities.

This week the children in years 1-6 have been completing their termly assessment for Reading and Maths, I always look forward to seeing the progress the children are making in these key areas of learning; they have worked so hard all term.

Please pass on the message about our second Open Morning for prospective families which is taking place on Monday 1st December.

Whatever your plans this weekend I hope you have fun and time with family and friends.

Mrs Saunders

IMPERIAL WAR MUSEUM

On Monday, our Year 6 children had a fantastic day exploring the Imperial War Museum in London. The trip brought their history learning to life as they discovered powerful stories and artefacts from conflicts around the world.

The children visited the World War I and World War II galleries, where they saw real tanks, aircraft, uniforms and personal belongings from soldiers and civilians. They enjoyed the interactive displays and testimonies that helped them connect with the experiences of those who lived through these moments in history.

The children also learned about modern conflict and peacekeeping, discussing how history shapes the world today. Their behaviour throughout the day was exemplary, and they returned to school full of thoughtful reflections and new knowledge.

STEAM CHALLENGE

On Thursday 27th November a group of year 4 children went to St Martin's School to take part in a STEAM (Science, Technology, Engineering, Art, Mathematics) challenge. They worked in teams with St Martins' boys and using a spherobolt (a spherical smart robot) they had to create a golf ball collecting machine. They designed, developed, tested their prototypes and collaborated well with all the other students there. To finish off the day, Annika and Wiktor's team placed third in the competition. It was a great experience for our Frithwood team!

YOUR SCHOOL PHOTOGRAPH IS READY!

Vancols Photographers are pleased to confirm that the School Photographs are ready to view using the QR code on your proof card.

If you have already scanned the QR code on the Proof and registered you will receive an auto email notification.

If you have not done it yet, don't panic, you can still view by scanning the QR code on your Proof and following the instructions.

If by chance you have not received your Proof or it has been lost you can call Vancols Parent Line on 01206 273711. If you haven't purchased photographs from us previously you will need to contact the school directly for the website photo code.

The online cut-off date for orders to be placed for free postage back to the school is **2nd December 2025**
