SCHOOL ATTENDANCE

Well done to 4C who had the highest attendance with 99.3%!

Week beginning: June 2026	Weekly Attendance: 93.8%	School attendance to date: 94.7%
--	---	---

School finishes for the children on Friday 17th July at the usual time of 3.15pm.
The school is closed for staff INSET on Monday 20th July and Tuesday 21st July

After last week's short newsletter, this week's one is the opposite! There is important information below so please read on.

I cannot believe how quickly we are approaching our last week of term.

The end of Frithwood activities for our Year 6 leavers are in full swing. Their enterprise this afternoon was fantastic! The children showed their creative sides and the young shoppers enjoyed the array of lovely treats to buy. Well done all of Year 6.

Next week is the Y5 and 6 production on Monday and Tuesday evening, class swaps morning on Wednesday, Leavers' Disco Thursday and Leavers assembly (Y6 families only) on Friday.

Have a lovely weekend,

Mrs Saunders

ANNUAL SCHOOL REPORTS AND PARENTS EVENING DROP-IN

Your child has brought home their annual school report today.

The children in YR, Y1 and Y4 have additional information relating to their statutory assessments taken this year.

The KS2 SATs results for 2026 were due out on 7 July but have been pushed back to 16 July. All Year 6 parents were emailed a letter regarding this earlier in the week and you will receive these results in due course.

On Tuesday 14th July the teachers will be available at 3.30pm in their classrooms if you have a specific question or query about your child's report. This is not an appointment but a short, informal drop-in opportunity.

CLASSES -ACADEMIC YEAR 2025-2026

On Wednesday 15th July the children will be spending the morning in their new classrooms with their new teachers. The teachers will be completing their annual handover meetings during next week and on the INSET days.

As ever, at the end of an academic year there are some changes. We have welcomed Mrs Leonard back from her maternity leave this week and are delighted she is back with us.

Mrs Read is leaving us after 17 wonderful years to take her skill-set to a local Nursery where she will be working with younger children as part of a new staff team. Mrs Read has been a brilliant member of the Frithwood staff demonstrating throughout her time here her commitment, dedication and care for the children. She has been a great friend to many of the staff and we will miss her very much.

After a year at Frithwood, Miss Kay is moving on to pastures news. We thank her for her work with the children and we wish her well on her new ventures.

Mrs Dickins will start her maternity leave during the school holidays and we look forward to hearing her baby news very soon!

YEAR 5 and 6 END OF YEAR PRODUCTION

The performance to parents/carers is on Monday 13th and Tuesday 14th July. The children need to return to school by 5.30pm for a 6.00pm start.

Please wear loose, comfortable clothing and bring a small fan, if you wish, to ensure complete comfort in the hall. We will maximise the air flow with strategic opening of windows and doors and fans throughout the hall. Amendments have been made to the production for the health and safety of all involved. This has included reducing some elements and introducing a short interval for everyone's comfort. We didn't want to cancel and there is no room to postpone so we are doing our best to mitigate any risks from the heat. The children in both year groups have worked so hard; they look and sound wonderful and you are in for a treat!

RSHE CONSULTATION

Thank you to everyone who responded to our statutory RSHE consultation. The responses were extremely positive:

- 90% of respondents agreed about the importance of the RSHE curriculum.
- 90% of respondents also felt that the RSHE topics we teach in school make a real difference to children's lives.
- 100% of respondents felt confident talking to their child about growing up and relationships
- 90% of respondents were happy with the content of our policy

Please take time at the beginning of each term to look at the topic overviews for your child's year group. The topics are also available on the website in the Curriculum tab and on a link [here](#)

VIKING DAY

Year 4 had a fantastic day on Tuesday this week. The little Vikings had the opportunity to make Viking jewelry, write a letter in runes, paint shields, make Viking bread and throw an axe. The children had a lot of fun and were so excited to try everything. They had the chance to use some of the knowledge they learned in class and apply it to their experiences on Viking day. The children were split into Viking groups and before lunch the Angles and Jutes were given the go

ahead to invade the land of the Picts, Celts and Scots with a game of tag. We wonderfully demonstrated that the Picts, Scots and Celts were able to repel the Angles and Jutes and win the game – much like our real-life counterparts. At the end of the day, just like the Vikings of old, the children were invited to our “great hall” for a Viking meal and to share stories about their day. A big thank you to everyone who made the day possible.

Isaac – It was a good day, but the bread tasted a bit weird.

Shayen – The best bit of the day was the axe throwing. I was the best!

Alyssa – My favourite bit was the jewelry because I made something different.

SUMMER READING CHALLENGE

Take Part in the Hillingdon Summer Reading Challenge – Read to the Beat!

We're encouraging all pupils to join this year's Hillingdon Summer Reading Challenge: Read to the Beat! It's a fun way to keep reading over the summer, discover new books and enjoy your local library.

To take part, children need to be a member of Hillingdon Libraries and visit any Hillingdon library during the summer. How does it work?

- Visit any Hillingdon library.
- Borrow books on at least 4 visits over the summer.
- We recommend aiming to read 6 books.
- Collect reward stickers as you go and complete all 4 visits to earn your prizes.

Rewards

Visit 1: Collector folder, sticker and a special Storytime magazine. Visit 2: Reward sticker and bookmark. Visit 3:

Reward stickers. Visit 4: Final sticker, medal and certificate.

Please note: rewards are available while stocks last.

This year's stickers also include QR codes with digital rewards, including exclusive videos from authors and illustrators. Children can also personalise their challenge with book reviews, drawings, audiobooks or graphic novels.

Prize draw

Children who complete all 4 visits by Saturday 12 September will be entered into a prize draw to win an electronic keyboard and songwriting journal.

We'd love to hear about the books our pupils enjoy over the summer. Happy reading and good luck with the challenge!

HOLIDAY CLUB

Holiday Club will run from 27th July – 28th August
and is open to children from Reception to Year 6.

TIME:
8:30am –
5:30pm

COST:
£35
per day

LOCATION:
Jubilee
Building

Children will enjoy **free-flow** indoor and **outdoor** play throughout the day, along with a variety of fun and creative **craft activities** and a **cooking activity** each day.

A named
water bottle

A packed
lunch

A change of
clothes if they
would like to
join in with
water play.

A sun hat

Sun cream
applied before
arrival if the
weather forecast
suggests it will be
needed

We look forward to welcoming your
children for a fun-filled summer
at Holiday Club!! ❤️
