The Mini London Marathon 2026

Dear Parents/Carers,

I have successfully applied for 40 children's places at this year's Mini London Marathon which takes place on **Saturday 25th April 2026**. This is an excellent chance for your child to take part in an unforgettable experience and join fellow young athletes in the heart of London.

I anticipate there will be great interest from our families and consequently we will be putting out an application form on ParentPay for you to apply for a place for up to three children.

The application form will be going live on ParentPay on **Friday 27th February** at 5:45pm - The places available will be allocated on a first come first served basis.

In total we have been allocated 40 spaces. There are 25 spaces for children between Reception and Year 6 to run 1 mile. In addition to this, we have 15 spaces for children between year 4 and 6 to run 2.6km. The finish line is on The Mall where the professional athletes will finish their race on Sunday. All participants will receive a medal when they complete the course and the school will receive £10 for each child involved.

Parents and Carers **must** accompany their child on the day and Reception, Year One and Year Two parents will have to run alongside their child. Please make sure you are fully committed to the event so that we do not have late withdrawals, which may lead to a child missing out.

Further details with regards to organisation of the day will go out to participants closer to the day. The link below provides some more information from the organisers.
