SCHOOL ATTENDANCE

Week beginning: 12th January 2026	Weekly Attendance: 96.1 %	School attendance to date: 95.1%
---	--	---

A super start to Friday with our Year 6 assembly today and it was wonderful to welcome parents and carers. With a strong history focus, the children showcased their learning with confidence and enthusiasm, giving families a glimpse of the depth of knowledge they have developed during their topics on the World Wars. I cannot believe this is their final year at Frithwood – there are exciting times ahead!

We also greatly enjoyed welcoming grandparents and grandfriends into school for the Year 3 poetry workshop. It was lovely to see children sharing their work with such a special audience, creating memorable moments for all involved.

I am delighted to share that the Christmas Laser Show was a huge success and a real highlight of the end of term. The event raised an impressive £2,392.93, which will go directly towards enriching experiences and resources for the children. The festive atmosphere made it a memorable evening for children and families alike and we are extremely grateful to everyone who supported it.

As our PTA belongs to all Frithwood parents and carers, we encourage anyone with ideas or feedback to get involved and help shape the events. Constructive suggestions are always welcomed by the PTA and getting involved is the best way to influence the fun occasions that are run for the children. Looking ahead, the next PTA event this term will be the discos and we're also hoping to have a cake sale. More information will be shared shortly, so keep an eye out for further details and how you can help shape these events. Many hands make light work!

Holiday Club is running at half term – the plan for the week is below. Please sign up to join the fun. Frithwood's Holiday Club is run by our school staff so a lovely, familiar club to attend with familiar faces and friends. Each day is different and the children have a great time. Drop off and pick up times are flexible so ideal for families slotting child care into their days. Come and have fun in our popular club.

Have a lovely weekend,
Mrs Saunders

 CONGRATULATIONS TO THIS WEEK'S CERTIFICATE HOLDERS 		
	EXCELLENCE IN LEARNING	EXCELLENT MANNERS
RW	Harri	Magnus
RE	Jayan	Jeneil
1D	Sienna	Elisse
1H	Romina	Nisviga

4G	Charlie	Jibril
5T	Sebby	Vansh
5S	Whole Class	Ella
6N	Amy	Finley
6C	Reggie	Cian

YEAR 6 TRIP

On Wednesday afternoon, year 6 travelled to Brunel University for a Citizenship Day to learn about how to be safe in different scenarios. We were put into groups and had a friendly competition. We learnt about fire safety, water safety, road safety, drug safety, knife crime, safety on public transport and how to be safe on social media and online.

We learnt lots of new facts including:

What to do if there is a fire, what to do if you fall into cold water, how to cycle safely, how to cross the road safely, not to take sweets from strangers (it could be medicine or drugs), how to resist talking to strangers, how to travel safely on your own and how to be safe online.

By Amelia, Amy, Myla and Shivani 6N

POETRY TOGETHER

On Thursday, Year 3 had a wonderful day celebrating poetry. The day started with an exciting assembly from visiting poet Kate Wakeling who performed some of her own poems which included audience participation. Year 3 then had poetry workshops, focusing on different emotions and how they might look and what they might eat. The afternoon hosted a poetry party where the children were able to share their original poems and also some they have learnt off by heart. The children had some special guests in the audience too, some grandparents and grandfriends came to join the party and recited some of their own poetry. It was a lovely day.

HOLIDAY CLUB

We are offering holiday club from 16th - 20th February. See below for the details
