Attendance Matters

Today was our annual Governor Day. It was wonderful to welcome to school our Governing Board including our two newly elected parent governors. Our Governing Board are volunteers who have given up their time to support the leadership of the school. During the morning we discussed two important parts of our School Improvement Plan; Oracy and AI. I will be sharing more about these areas with our families in the new year. Learning Walks also took place across the whole school. The childrens' behaviour and attitudes to learning were as ever exemplary and the feedback from our visitors was wonderful to hear. Thank you to all Governors for your commitment to Frithwood, I very much enjoyed my time spent with you all today.

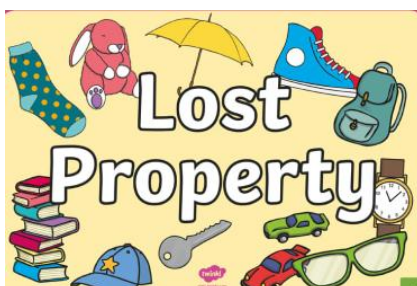

Next Friday 12th December is our Christmas event. The laser show sounds quite spectacular and with stalls, refreshments and our raffle it should be a wonderful occasion. The children can come to school next Friday in their warm and cosy clothes ready for our outdoor extravaganza.

On Friday 19th December we break for our Christmas Holidays. School will close for the children at 12.00pm. The children are permitted to wear their festive wear/favourite clothes if they wish on that day too.

The next two weeks are very busy. Please check the dates later in the newsletter and book your tickets for the EYFS and KS1 Christmas performances.

Have a super weekend,

Mrs Saunders

Once again, the lost property box is overflowing with unnamed items. Named items have been returned to the owners. Please come and look in the box outside the office.

The box currently contains; gloves, hats, scarves, coats, lunch boxes and expensive water bottles!
