Dear Parents/Carers,

On **Friday 6th February 2026**, we will be celebrating **Number Day** to raise money for **NSPCC**. On this day, we invite the children to Dress for Digits by wearing an item of clothing with a number on it and making a donation. This could be a favourite sports top or cap, or even a onesie. Or why not get more creative and design a unique t-shirt, hat or even become a human-sized dartboard or dice!

During Number Day, the children will also enjoy fun number activities in their class. It will be a fun occasion and will allow the children to explore numbers and apply this in different ways.

Here are some examples of how your donation could help:

- £4 could help answer a child's call for help to Childline.
- £3 could pay for the NSPCC Speak out Stay safe programme to reach primary school children, teaching them how to recognise abuse and neglect, and empowering them to speak out if they're worried about anything.
- £197 could pay for a trained practitioner to help children for one day.

NSPCC would love to see your Number Day posts and photos on social media. Tag them using @NSPCC and the hashtag #NumberDay.

If your child has PE on this day, they could wear something sporty with a number.
