This week we had the author visit and a visit from the farm! Both of these exciting events were well received by all the children and the staff too. The Nursery and Reception children were very enthusiastic when talking about the animals that they had met and lots of the children enjoyed having their books signed by Gita Ralleigh.

If your child is bringing a mobile phone/device or smart watch to school then you will need to complete the permission form. The form can be found on the Jotter home page, near the bottom in the forms section. Mobile phones are collected in at the start of the day and kept securely until home time.

Hillingdon Parent Carer Forum have shared their spring newsletter and you have received a link on the Jotter this week. HPCF offer support to families of children with SEND and have a range of support available from coffee mornings to fun days. They have also shared a link -please complete the survey if you would like to help shape the services in Hillingdon for children with SEND.

Later in the newsletter I have put together the links shared last term for families to access local support through various hubs. Please take time to familiarise yourself with these as they address many common family and parenting concerns and have useful signposts to other helpful services.

Please can I remind you that the play equipment and climbing frames in the playgrounds must not be used at the start and end of the school day. The children have been reminded in their assemblies this week.

I have had several complaints from local residents about parking. Please remember that Chartwell Road has restricted parking and that the residents' bays opposite school in Maycock Grove are for residents only. Considerable time is taken by the office staff and me in addressing these matters and pacifying angry residents.

Next Friday 1st May is the Year One assembly at 9.00a.m in the school hall. Rehearsals are well under way. I am looking forward to welcoming the Year One parents and carers into school for this lovely occasion.

Best of luck for our marathon runners who are taking part in the mini marathon this weekend.

I'm looking forward to seeing lots of you at the discos later today- thank you to the PTA who are setting up as I write - the hall looks fabulous with its circus theme.

Enjoy the sunshine and have a lovely weekend

Mrs Saunders

FAMILY SUPPORT

We are keen to support all families and regularly share with you information about local Hillingdon services.

If you are worried about your child's emotional well-being and mental health then Hillingdon's Thrive has lots of useful information that might help support you and direct you to other services that can help. <https://thrivehillington.co.uk/>

Family Lives in Hillingdon can help support with parenting through challenging times. It has a range of advice, resources and signposts to other services too. Helpfully split into age phases and topics it is easy to navigate. <https://www.coramfamilylives.org.uk/how-we-can-help/in-your-area/hillingdon-family-support/>

On last week's Jotter we shared that Hillingdon Educational Psychology Service was holding a series of support groups for parents/carers of children displaying Emotionally Based School Non-Attendance (EBSNA). Here is the link to the local information <https://careandsupport.hillingdon.gov.uk/Services/4006/EBSNA-Support-Groups>
