Welcome Back to School!

The PTA had a busy summer preparing for the 2025/26 school year! We've partnered with **NameTag**, a company that prints personalised labels to help lost items find their way home—plus, the school earns a percentage from every order made using our unique code. We've also launched a **Parents' Lottery**, offering a weekly jackpot of £2,500 and smaller prizes, with 60% of ticket sales going directly to support our school.
