This week voting took place for our new school council. I was delighted to be able to say a huge thank you to our 2025-2026 School Council for their services and to welcome the new 2026-2027 School Council. A huge well done to everyone who pitched for the role. More about the winners below!

On Thursday we had our first Fire Drill practice of the year. The whole school evacuated and were standing in the playground, silently in their lines in 3 mins 11 seconds. These drills are an important part of our safety measures in school.

The PTA AGM and Coffee Morning took place this morning. It was a great chance to hear about PTA fundraising and hearing how these funds have been spent on enriching the children's school experience over the past year. Thank you to those who came along, I appreciate the commitment of the committee members and all those who help at the lovely events.

Signs of autumn are all around us and its wonderful to welcome the change in the season despite the warm temperatures still.

Take the time this weekend to collect conkers, count acorns and enjoy the end of summer sunshine.

ACCESS TO SCHOOL PREMISES

Please can I remind all parents and carers that they are not permitted to enter the school buildings at the beginning or end of the school day unless specific arrangements have been agreed in advance.

The Department for Education guidance on [Controlling Access to School Premises](#) states that schools are private property and that parents do not have an automatic right to enter. Parents and carers are permitted on the school premises for drop-off and collection in the playground but should not enter the school buildings unless they have been given permission to do so.

If you need to contact a member of staff, please use the channels outlined in our Home School Communication Policy. These arrangements help us to maintain the safety and security of children and staff.

STAFF CAR PARK

I would like to remind parents and carers that the staff car park should not be used for routine parking. We have approximately 40 spaces for 55 staff, so spaces are very limited and need to be prioritised for staff. If any family needs to use one of the accessible spaces, please pop into the school office and we will be happy to help.
