

# HILLINGDON PCF SPRING 2026

## UPDATE

Information for families with children and young people (0-25) with SEND in Hillingdon

### Hillingdon Parent Carer Forum Update

We've been looking at ways to reach more families. This includes ongoing work towards revamping our website, planning a variety of events and starting up two SEND drop-ins in partnership with Hillingdon Children Centres and Family Hubs. These drop-ins are for families with a child or young person with special educational needs or disability and are a great opportunity to give feedback on local services, ask for advice or just have a chat. No booking necessary, just turn up!

Also planning for our Family Engagement Event is progressing wonderfully and we can confirm that will be joined again by the Liza Pizza and the Animals from Animals UK to name just a few highlights!!

### Event Planning Survey

We are working towards planning some in-person information events across the borough. This will give us the opportunity to meet with families and invite guests from services to discuss how they work, run workshops and gather feedback.

Your feedback will help us design these sessions to best meet the needs of our families. If you could take a moment to fill in this short survey we would be very grateful.

### Request for photos

As part of the the process of revamping our website we would love for the images to be inclusive of the families we represent.

If you have any pictures of your child or young person at our events or around the borough that you would like to be considered for inclusion please send them to us via email.

### Request from CDC/MDTA team at Hillingdon Hospital

The MDTA team looking for families they have worked with to help review their service. If you would like to help please contact us and we can pass on your details.
