What a lovely end to this half term. The sun has shone, summer is calling and it was Reception assembly! What a wonderful assembly it was too. We heard all about the children's learning about dinosaurs (they're very stomp), living under the sea and even about outer space. The children sang, recited poetry and spoke their lines confidently. Some of the Year Two children felt nostalgic recalling all they had enjoyed in Reception. It was a super start to Friday and it was lovely to see the parents and carers here too.

Annamarie Fevrier from Family Lives enjoyed meeting parents in the Jubilee building – thank you to those who came along. We are very lucky to have this resource in Hillingdon and I hope the website and phone contacts available are supportive for our families. Schools are great at supporting education but often have fewer resources to support in parenting – it is great to be able to direct families to this agency when concerns are shared. <https://www.coramfamilylives.org.uk/how-we-can-help/in-your-area/hillingdon-family-support/>

We have much to look forward to in the last half term of the year. Year 5 residential, Sports Days (dates below), Summer Fair to name just a few. Year One will be taking their Phonics Screening check and Year Four will be completing their Multiplication test Check. All families in Year 1 and 4 received information about this at parents' evening back in March and the links are here too.

Please make sure that you have the dates in your diary for the Summer Fair donation days- bottle donation and Pyjama Day on 12th June and new toys donation and beach day on 17th June. Please bring in any soft toys needing a new home for our popular raffle.

I hope you all have a lovely half term break whatever your plans. Holiday Club is open in the Jubilee and it looks like a great week, booking details below.

I look forward to welcoming everyone back on Monday 1st June.

Holiday Club Booking Information

Places are now available to book via ParentPay at a cost of £35 per day. The holiday club is open to children from Reception to Year 6 and will take place in The Jubilee Building. This will enable the children to have a free flow access to the field if they like.

Please ensure your child brings:

- A packed lunch
- A water bottle
- Suitable clothing for outdoor activities and changing weather
 - A sun hat
 - Suncream

Parents must apply suncream to their child before arrival each day. If required, children may bring their own labelled suncream for a second application during the day.

We look forward to welcoming the children for a fun-filled week!
