Ark Farm Visit for Nursery & Reception

Dear Nursery and Reception Parents / Carers,

We have organised for Ark Farm to visit us on **Tuesday 21st April**.

This is an exciting opportunity for the children to meet some of the farm animals we have been learning about, including sheep, goats, ducks, chickens, pigs, rabbits, a dog and a donkey! The mobile farm will set up on the school field and the children will get to look closely at the animals, learn about them from the Ark Farm staff and touch the animals if they want to. Sanitizer will be provided and we will ensure the children wash their hands thoroughly. If you have any specific concerns about your child touching the animals, such as an allergy, please speak to the class teacher.

The cost of the visit will be **£11 per child** and we ask that you make this voluntary contribution via ParentPay, where you will also give permission for your child to take part.

We are looking forward to this fun and educational visit and hope that the children will really benefit from it.

Yours Sincerely,

Mrs Matthews, Mrs Wilkey & Ms Emina
Nursery/Reception Class Teachers
