Oral Health

A reminder about this information was given out last week. Please remember if you want to celebrate your child's birthday, please donate a book for their key person library rather than bring in sugary snack. Thank you for your cooperation in this

Sun Safety

On the sunnier days, please make sure your child comes to nursery with sun protection on and a sun hat. Please make sure children are wearing sensible shoes for nursery with their toes covered.

For healthy and safety reasons, please can children also not wear jewellery to nursery. Thank you for your cooperation in this.

Primary Schools

Parents/Carers of children going to Primary School in September, should have received information about which school their child has been allocated from Lancashire County Council.

Nursery are not given this information directly, so your key person will be asking you, which school your child will be going to, so we can help with transition to the primary school.

Community Information

Nelson Family Hub can help with primary school places if you have not got your first choice and want to appeal. Mrs Sajid will signpost you how to do this in the coming weeks.

If you would like any further information or have any questions, please do not hesitate to ask a member of staff.

Thank you for your continued support,
Ms Cathy Stokes, Headteacher
