February 2026

Dear Parents/Carers,

**RE: World Book Day at Langland Community School - Thursday 5<sup>th</sup> March 2026**

Every year on World Book Day, we are overwhelmed by the enthusiasm of our school community. We know that reading for pleasure has a huge impact on children's learning, well-being and imagination. After the success of last year's 'Battle of the Genres' theme, this year we are encouraging children to explore and celebrate both fact (non-fiction) and fiction books, helping them to discover what they enjoy most and choose their next great read.

To celebrate, we are inviting all children to come to school dressed as either **FACT** or **FICTION** on World Book Day. For example:

- **Fact:** scientist, explorer, footballer, animal, historian or a favourite non-fiction topic
- **Fiction:** mythical creature, fairy tale figure, wizard, superhero or imaginary character

Please remember that we do not want this to be a financial burden and greatly encourage simple, homemade outfits. Children are also very welcome to come in their usual school uniform with a label or badge showing whether they have chosen fact or fiction. A small number of costumes are available in school; please speak to the office if you would like to borrow one.

Throughout the day, children will take part in a range of exciting 'Fact vs Fiction' activities, including sharing and recommending books to others. As part of our annual World Book Day tradition, each class will also visit Tesco Kingston (via the school minibus) to exchange their World Book Day token for a book, ensuring every child brings home a new read. If you would prefer your child not to take part, please speak to myself or the office.

We look forward to a fantastic day celebrating reading, curiosity and imagination. Thank you for your continued support.

Yours sincerely,

Miss Walters  
English Leader
