NORTHAMPTON PRIMARY
ACADEMY TRUST PARTNERSHIP

Dear Parents and Carers,

We are writing to inform you of a change to the location of the **Year 1 classroom**, which will take effect from **Monday 23rd February 2026**.

From this date, the Year 1 class will be based in the area where the Nursery classroom was previously located. This move forms part of our wider school organisation and has been carefully planned to support children's learning and wellbeing.

What does this mean for parents and carers?

- Drop-off and collection will take place at the Early Entrance
- Children should be dropped off and collected from the same place at the usual times
- Staff will be present to support children and ensure routines run smoothly

Why are we making this move?

This is an exciting relocation for Year 1. The new classroom space will offer:

- More space for clearly defined areas of learning
- Greater opportunities for practical, active learning
- Direct access to an outdoor provision, supporting children's independence, wellbeing, and engagement

We believe this enhanced environment will support a smooth transition from the Early Years approach into Key Stage 1 while continuing to inspire curiosity and enjoyment in learning.

Supporting the children

The children will be prepared for the move in advance and supported throughout the transition. Familiar routines, expectations, and staffing will remain in place to ensure children feel confident and settled in their new classroom.

If you have any questions, please do not hesitate to speak to Miss Dakramendjian (Early Years/Key Stage 1 Lead), the Year 1 team or contact the school office.

Thank you for your continued support.

Kind regards,

Donna Christy
Headteacher
