

## Special Additional Newsletter - London Residential: Tuesday Highlights

Dear Parents and Carers,

I am pleased to share another update from our London residential, along with more wonderful photos from yesterday's activities:

A **Thames boat tour**, giving the children a fantastic view of London's famous landmarks from the river. A visit to the **British Museum**, where pupils focused on **Ancient Egypt and Africa - Masquerade at Carnivals** deepening their understanding of this historic civilisation.

Following their visit to Pizza Express the previous day, the children continued to enjoy London's dining experiences with a relaxed meal together at Bella Italia. The day was then rounded off perfectly with a trip to see the musical *Matilda*, which was thoroughly enjoyed by all.
