

## Special Additional Newsletter - London Residential: Monday Highlights

Dear Parents and Carers,

I thought I would share an early update, along with some of the wonderful photos that have been sent through from our joint residential so far. Monday's activities provided a fantastic start to the week. The children explored some of London's most iconic cultural landmarks, including:

- **Tate Modern**, where they engaged with a range of inspiring contemporary artworks
- **The Natural History Museum**, which sparked curiosity and excitement across its fascinating exhibits
- **A few key city landmarks**, giving them a real sense of London's history and atmosphere

The day was full of energy, discovery and memorable moments. It has been wonderful to see the children making the most of every opportunity and mixing so positively across our federation.
