Our School Through Our Eyes - A Special Open Day Project

Dear Pupils, Parents and Carers,

As we prepare for our upcoming Open Days across the Federation, the School Council would love your help in creating a special leaflet titled **"Our School Through Our Eyes."** This will be shared with parents and visitors to show them what makes our school such a wonderful place to learn, grow and have fun - all from *your* perspective!

We're inviting you to share your ideas and creativity. You could contribute:

- A cheerful illustration or colourful collage of school life
- Drawings or doodles showing your favourite parts of school
- A short story or poem about your experiences
- A quote about what makes our school special to you

Think about what you love most about our school - the learning, the friendships, the playground, the clubs, the caring adults, or anything else that makes you smile.

What would you like visitors to know about our school and the amazing environment we learn in?

We can't wait to see your wonderful ideas and celebrate your voices in this exciting project! Please can these be handed in to school by Monday 3rd November.

Warm wishes,

Mrs T Wood & School Council
