Classroom News

HOPPER

Hopper children have enjoyed pretending to be explorers and discussed everything they need to take on an adventure they agreed that taking a map, water bottle, food, warm clothes and binoculars would be helpful.

Nursery children have enjoyed their last week of our penguin topic, our book this week was Lost and Found, we talked about what we would do if we found a penguin and how we would look after it.

WARHOL

This week we have found out some more about some toys in the past and some of us were shocked to see the differences in the toys our parents and grandparents played with.

DALI

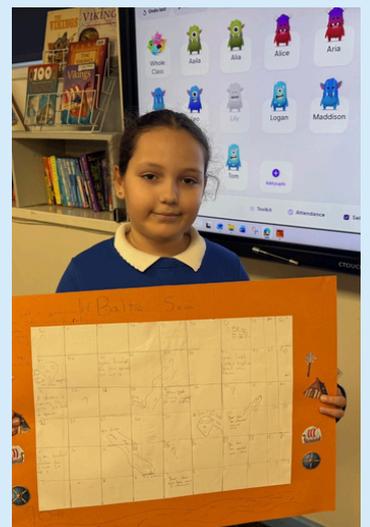

This week we have completed our amazing Escape from Pompeii narrative write ups. Also we have been looking at the legacy left by the Romans invading Britain. *Anything Awesome* mention for TJ for his amazing effort on his Roman Legacy poster!

KAHLO

This week, we welcomed Hazel and Martin from the North Point Mental Health Team, who gave the class helpful tips about moving up to high school. We also had an exciting visit from our local fire brigade, exploring the fire engine and learning about fire safety.

A fantastic week of learning, curiosity, and fun for everyone!

Next term, our English writing will be based on the book Holes by Louis Sachar. As a little extra home learning over the half term, you could watch the film version on Disney Plus but don't worry if you don't, as we will also watch it together in class! See the photos below for what we have been up to this week.

Here are board games we created with Mrs Jaques and Mrs Thompson.
