## School News

### FASHION SHOW TICKETS NOW ON SALE!

Tickets are now on sale for our Upcycled Fashion Show on Monday 29<sup>th</sup> June at 3:45pm. Tickets are priced £2.00 per person or £5.00 for a Family Ticket for 2 adults and 1 child or more. You can buy the ticket on the school shop section of the Arbor app. The ticket will include entry to the show, a choice of tea or coffee and juice for the children, with a selection of scrumptious biscuits. Following the show, we will have a Chocolate Tombola and Uniform sale. Everyone is welcome to come along, if your child is in the show or you just want to come along and enjoy the event! We hope to see you there.

### OUR ORCHESTRA IS IN THE NEWS!

A couple of weeks ago, we were visited by Jude Rogers from The Observer newspaper. She wrote this wonderful piece that appeared in last Sunday's edition of the paper: <https://tinyurl.com/42vtfj54>. Not only this, but the orchestra's music was also played on BBC Radio 3's 'Late Junction' show on Friday, which is the nation's showcase for new and experimental music! The show is available to listen on BBC Sounds (we're on from about 51:03): <https://www.bbc.co.uk/sounds/play/m002x54b>. Finally, our new album is out next week, you can get a preview here:

<https://spaceship.bandcamp.com/album/gabble-ratchets>. The album is also available from the school via Parent Pay at the discounted price of £5.00! We're really proud of what these children have achieved and they hope to get out and play some of this music live soon!

### YEAR 5 TRANSITION

This week, our Year 5 children spent a morning at Todmorden High School as part of their transition activities. They enjoyed taking part in a computing lesson and challenged themselves with some tricky maths tasks. The children also enjoyed meeting some of the staff and spending time on the school grounds, helping them to become more familiar with their new surroundings. It was a valuable experience, and everyone represented our school brilliantly. Well done Year 5!

## ★ Star Of The Week ★

**We know our school is important and everyone matters**

# Classroom News

## HOPPER

This week, the children have been exploring repeating patterns using a variety of materials. They are beginning to recognise, copy and continue simple patterns, developing their mathematical understanding.

## WARHOL

This week we have completed our box looms by adding our woven, wrapped, plaited and knotted items to them and weaving some other fabrics, ribbons and pipe cleaners onto it.

## DALI

Dali class have been working hard together to ensure our school rules are understood and followed, which has complemented our work in RE on rules and morals. In science, our work on the digestive system continues as we have been learning about the layers of the teeth and the function of enamel. We are excited to plan our experiment on the effects of sugary drinks and have been looking at labels which show sugar content.

## KAHLO

This week, we had some fantastic discussions about the story Wonder and its theme of friendship. Many children made thoughtful contributions, sharing their ideas and experiences to help deepen our understanding of the story. We were impressed by the maturity and insight shown when discussing what it means to be a good friend and how kindness can make a difference. Well done to everyone for their excellent participation and understanding.

## SPORTS NEWS

A big thank you to everyone who came to school wearing their England football team colours on Wednesday. It must have brought the team some good luck, as England went on to beat Croatia! We loved seeing so many children showing their support and team spirit throughout the day.

We are keeping our fingers crossed that England can continue their strong start and enjoy a successful World Cup campaign. We will be cheering them on and following their progress with great excitement. Come on, England!
