Sports News

We are thrilled to have had Coach Brad from Burnley Football Club joining us every Monday for the past five weeks! He has settled in really well and is enjoying being part of our school community.

During this time, Kahlo and Dali classes have shown amazing determination and excellent sportsmanship in their lessons with Coach Brad. Everyone has worked hard, supported each other, and demonstrated fantastic teamwork. We look forward to many more lessons!

Lost Uniform

Lots of jumpers and cardigans have been going missing. Please make sure everything is named to help us make sure lost items are returned to their owners. Staff always remind children to put jumpers and cardigans in their own drawers or bags when they take them off and not to remove them outside. Please remind your children of this at home as well.

Classroom News

HOPPER

This week the children have brought in different autumn treasures to show to their friends. We have been amazed by the huge collection of conkers and the different coloured leaves we have seen. The children have been exploring the sizes of the conkers and using the scales to weigh different amounts.

WARHOL

This week Year 2 attended the multi-skills competition at Todmorden Sports Centre. The staff were extremely proud of how all pupils conducted themselves in a public space outside of school and how much effort and determination they put into every event.

In class we have begun our history unit: 'What is history?' We have started with understanding timelines of our own lives and we are beginning to look at the different ways that people spend their holidays.

DALI

The Stone Age Boy by Satoshi Kitamura has really captured our imagination. We are enjoying preparing to write our own versions and have been exploring lots of exciting vocabulary. We can't wait to read these adventurous portal stories.

KAHLO

Entering The Goblet of Fire

This week we began Harry Potter and the Goblet of Fire and started writing a piece from Harry's perspective. We focused on the dramatic moment his name was drawn from the Goblet. Using descriptive and emotive language, we explored Harry's shock, fear, and confusion. We organised our writing into clear paragraphs to build tension and show his thoughts. We are excited to continue the journey and see what dangers the Triwizard Tournament brings!
