NSPCC NUMBER DAY

Today in school we've a marvellously mathematical day! The children have enjoyed learning maths in a fun, exciting and new way. Thank you to all who have donated to support this wonderful charity.

BREAKFAST CLUB FUN

Thank you to all the children that have attended our themed Sunny Side-Up breakfast club this week. It's been a joy to see everyone come together to enjoy food from around the world. We are sure the children enjoyed it just as much as we did!

We are very fortunate to be able to offer our free Sunny Side-Up breakfast club from 8:30am, it gives our children the opportunity to ease into the day without the morning rush. Thank you to all who attend this club and make it a such a lovely environment.

Y1 BIKEABILITY

Well done to all of our Y1's that took part in the first day of the Bikeability course today. You all worked really hard, listened and followed instructions fabulously. We are so proud!

★ Star Of The Week ★

HOPPER: Star of the week is **Harriet** for always being kind and helpful. Well done, keep it up!

WARHOL: Star of the Week goes to **Charlie** for a wonderful effort in his writing, focusing on his pencil grip and letter formation. Well done!

DALI: Star of the Week is **Archie** for amazing effort and work produced all week, particularly in Maths. Well done!

KAHLO: **Lily** is our Star of the Week for her eagerness to learn and positive attitude in school. Well done, Lily!

BREAKFAST & AFTER SCHOOL CLUB: This week's star is **Robert** for his outstanding attitude in our clubs. We are incredibly proud of how kind, caring and conscientious Robert is in our clubs. He always helps our younger students to settle in and feel comfortable. Thank you Robert!

**Class attendance award winners
are WARHOL who achieved
98% attendance! Well done!**

Reminders

Please ask your child to keep valuable or sentimental toys at home as we cannot ensure they do not get lost within the school day. Thank you.

Classroom News

HOPPER

The Nursery children have enjoyed listening to the story of 'Rainbow Rob' and have explored colouring mixing. They have been ordering numbers from 1-5 and feeding the penguin different amounts of fish.

The Reception children have been exploring new vocabulary through our Talk Through Stories book, 'Six Dinner Sid'. (discover, slip out, unlike and tough.) We were really proud of how they used the vocabulary independently during jobs time.

WARHOL

Year 1s enjoyed their first sessions of bikeability today and learnt some new skills. They are looking forward to their next sessions, next week. In class this week, we began our new history unit all about toys in the past. It would be wonderful if the children could chat with their parents and grandparents and find out what their favourite toys were as children.

DALI

This week we have begun our creative narrative writing based on Mount Vesuvius and Pompeii. We have also created some excellent pair routines in gymnastics. On Friday we are taking part in the Mental Health Support Workshop with visitors coming in to work with us.

KAHLO

Our class had an exciting visit to Burnley Football Club on Wednesday afternoon, where we enjoyed a behind-the-scenes tour of the stadium.

During the visit, we were lucky to go into the directors' area, where important guests watch the matches. We also got to sit in the players' seats, which made us feel like real footballers getting ready for a big game!

We saw the club's trophies, which showed how much hard work and teamwork goes into winning. One of the highlights was visiting the interview room, where players answer questions after matches. Some of us even pretended to be football stars being interviewed!

The trip helped us learn more about football, teamwork, and what happens inside a stadium on match days. We all had a fantastic time and will remember this visit for a long time.

Breakfast Club Fun!
