Classroom News

HOPPER

The Hopper children have been learning about the Hindu 'Festival of Light' Diwali. They have explored how they celebrate, learnt a new song and created artwork.

WARHOL

This week we have completed our History unit all about holidays in the past. The children finished it by making their own scrapbook of holiday memories which they have brought home and they can continue adding to it throughout their lives!

DALI

Well done to Dali class for their resilience and efforts to be ready, respectful and responsible this half term. We are looking forward to experiencing lots of new learning after half term. Over the last few lessons we have been learning about Black History Month. The children have created some interesting fact files and artwork to showcase their research.

Finally, a reminder that there is no homework this week. Please return homework files by the first Monday back. Please also remember to return PE kits ready for the first week of term.

KAHLO

We've had a magical end to our Harry Potter and the Goblet of Fire writing unit!

To finish, everyone became Harry himself, writing diary entries that captured his thoughts and feelings during some of the most exciting moments in the story.

To make our work extra special, we tea-stained and lightly ripped our paper to create our very own pieces of Hogwarts-style parchment, the classroom smelled like an enchanted workshop!

It's been a fantastic first term in Year 5 and 6, full of creativity, imagination, and brilliant effort.

Well done everyone, what a spellbinding start to the year!

Black History Month Celebration Day

A big thank you to everyone for helping us celebrate Black History Month throughout October! We've enjoyed learning about inspiring figures, exploring important moments in history, and reflecting on the contributions of Black individuals to our world today.

We also want to say a special thank you for joining us on the last day by wearing the colours of red, yellow, green, and black, it was wonderful to see the whole school come together in celebration and unity.

Next month, we look forward to celebrating Remembrance Day. Poppies will be available to buy, along with a selection of other remembrance items.

What a fantastic way to end a month of learning, respect, pride and a thoughtful way to look ahead to our next important commemoration.
