School News

POM DANCE CLUB

We had a great first session back yesterday and we are looking forward to learning our new routines this term. There are still a few places left, to book on Arbor, £2.00 per session for FSM children and £4.00 per session at full price. We are looking forward to seeing our Pom Dance Team in action in the summer term, watch this space!

'A TREE IN TIME' WORKSHOP

We had a wonderfully immersive afternoon yesterday. The Indian dance workshop held at our school was a vibrant celebration for Earth Day. The workshop provided our KS2 children a valuable opportunity to experience traditional Indian dance forms. The highlight was a lively group performance where pupils showcased their newly acquired skills for the whole school. It was an enriching experience that left everyone eager to explore more about Indian dance and culture. We ended the day by coming together in a thoughtful moment of tree planting in our school garden. See photos below.

★ Star Of The Week ★

HOPPER: **Ethan** for super number work, well done!

WARHOL: **Lilah** for wonderful reading and comprehension. Well done!

DALI: **William** for fantastic English work on his Narnia description, especially his use of grammar. Great work, keep it up!

KAHLO: **J-Cee** for consistently demonstrating a mature and responsible attitude. Well done J-Cee, keep it up!

BREAKFAST & AFTER SCHOOL CLUB:

Alistair for always being kind and considerate to all staff and children in our clubs. Well done Alistair, keep it up!

Class attendance award winners
are **WARHOL** who achieved
97% attendance! Well done!

CORNHOLME SCHOOL RULES AND VALUES

At Cornholme School all children will be

1. Ready 2. Responsible 3. Respectful

We know our school is important and everyone matters

Classroom News

HOPPER

This week the children have been learning facts about spiders, they couldn't believe that they can have between six and eight eyes! They have also painted spiders and did a great job.

The Reception children have also had a challenge to build a bridge to get the 'Three Billy Goats Gruff' safely over the bridge to escape the troll.

WARHOL

We have designed and made pencil pots this week. We had to make sure it was stable by making a wide base and adding some weight at the bottom. We also had to make sure it had an appealing design. We are looking forward to beginning a new history topic next week when we will be learning about the very first aeroplane flight.

DALI

This week we have been working hard to create our setting descriptions around the magical world of Narnia. We also enjoyed the opportunity to dance, learn about another culture, and plant a tree on Thursday with A Tree in Time workshop. Also, a reminder for the children who were chosen to have their poem feature in the Young Writers book, the final date to give the required parental permission for this is this Sunday 26th April. This can be done online, and all the information is on the letter children brought home last week. Poems can't be published without this.

KAHLO

What a fantastic week of learning! In English, we became journalists, writing exciting newspaper reports about Stanley from Holes and his wrongful conviction. The class impressed with powerful headlines, formal writing, and beautifully presented work.

In Maths, we tackled angles with confidence calculating full turns (360°), straight lines (180°), and using protractors with accuracy. Brilliant effort all round, keep it up!

Y6 SATS REVISION REMINDER

As we continue preparing for SATs, please support your child with revision at home. In English, children should practise identifying commas (in lists, after fronted adverbials, and for extra information) and recognising determiners (e.g. a, the, my, some).

In Maths, please revise 2D and 3D shape names and their properties, including sides, faces, edges, and vertices.

Thank you for your continued support.

**DATES FOR
YOUR DIARY**

Monday 4th May: May day inset day

Friday 22nd May: School closes for half term
