Y6 FUNDRAISING

Thank you to everyone who contributed to the Year 6 fundraising and supported us by buying ice pops. Your generosity is really appreciated and will help make our end-of-year activities extra special!

We hope to have our ice pop stall running again the next time we get some warm weather, so get saving your 50p's!

Y6 SATS

Year 6 will be having SATs revision sessions every morning next week from **8:30am to 9:00am**. If children would like to attend, they should come in through Breakfast Club and then head straight to class to meet Miss Gibson.

These sessions will be a great opportunity to build confidence and prepare for the upcoming SATs.

READING REMINDER

Every child from Y1-Y6 has the opportunity to get a raffle ticket for every time they read at home. This can be their school reading book or a favourite book from home. All you need to do is write it in their reading record for your child to get a ticket. At the end of the term one lucky reader will get a prize!

★ Star Of The Week ★

HOPPER: **Jude** has been a fantastic helper this week, thank you!

WARHOL: **Ashton** for a huge effort and improvement in his handwriting which he is applying to all subjects.

DALI: **T-J** for excellent routines, always being ready to work and working hard.

KAHLO: **Elizabeth** for settling quickly, following routines and being respectful.

BREAKFAST & AFTER SCHOOL CLUB:

Olivia for always playing nicely with everyone in our clubs. Well done!

**Class attendance award winners
are WARHOL who achieved
94% attendance! Well done!**

Reminders

Please can you make sure your child brings a water bottle to school everyday. Thank you.

CORNHOLME SCHOOL RULES AND VALUES

At Cornholme School all children will be

1. Ready 2. Responsible 3. Respectful

We know our school is important and everyone matters

Classroom News

HOPPER

This week the children have been developing their gross motor skills on our obstacle course. They have successfully moved in and out of cones, balanced on the stepping stones, climbed up the wooden plank. They all remembered to bend their knees when jumping off the platform at the end, great job everyone!

WARHOL

We began our history topic this week where we will be learning all about the history of flight. So far we have learnt about the Wright brothers who invented the aeroplane and took the first successful piloted flight in 1903.

DALI

This week we have been working hard towards our adverts in English, ready to create them next week. We will be creating enticing adverts for the White Queen's delicious Turkish Delight. We have also begun work on new poems for the next Young Writers competition after all our success in the last one.

KAHLO

This week in class, we have been working really hard, especially in Maths. We have been completing two maths lessons each day, which has helped us build our confidence and improve our skills.

In PE, we made the most of the nice weather by going outside to play rounders. Everyone enjoyed being active, working as a team, and having fun together. Well done to the whole class for their effort and positive attitude!

CORNHOLME SCHOOL

PARENTS & CARERS

COFFEE MORNING

9-10am
every
Tuesday

A place for parents to get together for chat and a cuppa. Our staff will also be there to offer support and advice about anything and everything school, family and SEN related. So why not come along to our next session?
