## School News

### SUNNY SIDE UP BREAKFAST CLUB

Next week in the Sunny Side Up Breakfast Club children can enjoy a **free** delicious breakfast from around the world with themed activities.

Remember Sunny Side Up Breakfast Club is open from 08:30am – 09:00am every day and is always **completely free of charge** for all children. The club includes free breakfast every day and next week it includes a breakfast from a different country every day.

### RED HOT TODDY FUN RUN

On Sunday 8<sup>th</sup> March the annual Red Hot Toddy 2k Fun Run, organised by Todmorden Harriers, will take place in Centre Vale Park. The run involves 2 laps of the park and is open to anybody (not just athletes) and is **FREE** to enter. The start time is 10:15 am and registration takes place at Todmorden Cricket Club. It would be great to see some Cornholme children taking part!

### PLANETARIUM VISIT

Year 5 visited Todmorden High School on Friday morning for an exciting planetarium session, where they learned about planets, stars, and the wider universe. The immersive experience made space feel vivid and engaging, helping the children understand astronomy in a fun and memorable way.

## ★ Star Of The Week ★

**HOPPER:** This weeks Star of the Week goes to **Annie** for using lovely manners at dinnertime.

**WARHOL:** Warhol's Star of the Week is awarded to **Finley** for trying his best to always follow the school rules.

# Classroom News

## HOPPER

The children have enjoyed carrying out a science experiment to explore how polar bears keep warm in the icy water. During this they learnt that polar bears have blubber under their fur. The Nursery children have compared themselves to the size of an Emperor Penguin, they couldn't believe how tall they were.

## WARHOL

This week we have completed our collages of a local landscape. We created them by making our own textured paper and then tearing or cutting it, along with other materials to stick down and create the landscape.

## DALI

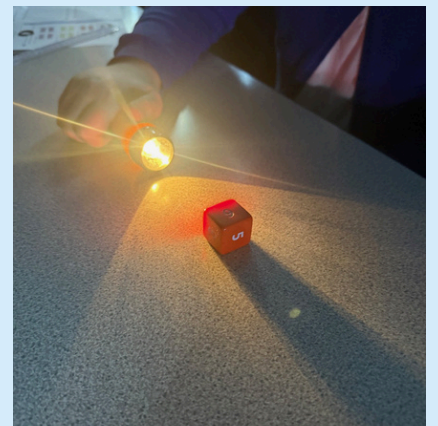

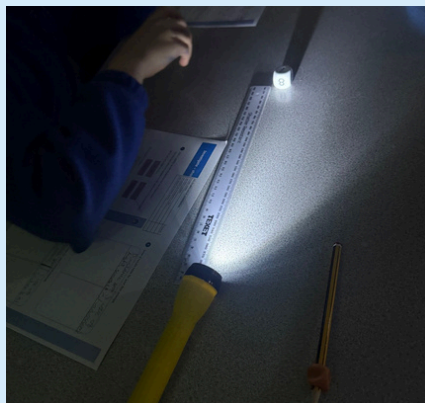

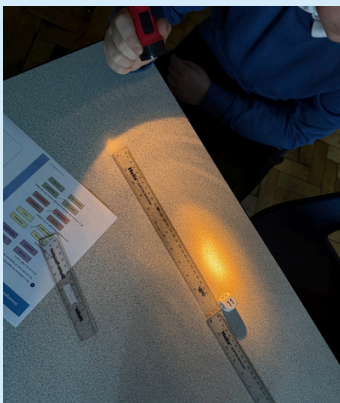

This week we have completed some fantastic diary entries on Escape from Pompeii. We have also been really enjoying finding out about how the Romans invaded Britain.

## KAHLO

We have had a long but very productive week in class and the children should be extremely proud of their efforts. Everyone has been working incredibly hard in maths, focusing on short division using the bus stop method. The children showed great perseverance and confidence as they practised this new skill and supported one another along the way. We have also been continuing our times tables rapid recall, with fantastic focus and improvement shown by the whole class.

In science, the children really enjoyed our shadow experiment. They explored how shadows are formed and investigated how their size and position change depending on the light source. There was lots of curiosity, discussion, and excitement as the children tested their ideas and shared their observations.

Overall, it has been a busy week full of hard work, teamwork, and enthusiasm for learning. Well done everyone!
