# Classroom News

## HOPPER:

The Hopper children have been exploring seasonal change, they have learnt a new song, 'Leaves are falling' and have spent time outside looking for signs of autumn.

The younger children have been reading 'Maisy's Rainbow Dream' and have enjoyed talking about their favourite colours.

## WARHOL:

Year 2 pupils have been invited to a multi-skills competition at Todmorden Sports Centre on Tuesday 7<sup>th</sup> October. Please return the permission slip as soon as possible. Thank you.

## DALI:

This week we have started our next English text called Stone Age Boy. This is an exciting portal story where a young boy visits a Stone Age tribe. We are enjoying making predictions about this adventure and can't wait to see what happens next.

## KAHLO:

This week in History, we continued our learning about the Ancient Greek civilisation. Our focus was on governance and how different city-states were organised. We explored the contrast between Athens, which valued democracy and debate, and Sparta, which was focused on discipline, strength, and military power.

To bring our learning to life, we held a class debate! Some of us argued in favour of Athens, highlighting freedom and discussion, while others defended Sparta, valuing order and protection. The debate was lively, thoughtful, and showed just how differently the Greeks lived depending on where they came from.

We are excited to keep building our knowledge of this fascinating civilisation in the weeks ahead!
