Classroom News

HOPPER

Following the performance by Billy's Band, the children were inspired to form their own band. They used a range of resources such as metal containers, pots and pans to create music.

WARHOL

This week we have been continuing with our art project by making box looms and practising the technique of wool wrapping. If you haven't brought a box in yet please bring one asap!

DALI

A fabulous first week back including re-establishing the importance of our routines so we are **READY, RESPONSIBLE** and **RESPECTFUL**. We are looking forward to learning more about the digestive system in science and helmet structures in DT. Next week our year 4 children will complete the MTC so we have been practising our rapid recall of multiplication facts.

KAHLO

We have had a fantastic start to our final term. In English, the children have been writing descriptive pieces based on the discovery of a mysterious key hidden beneath an old oak tree. They have used ambitious vocabulary and powerful descriptions to create suspense and bring their ideas to life.

It has been wonderful to see their creativity and enthusiasm, especially as our Year 6 pupils begin their final term at primary school.
