### FASHION SHOW TICKETS

We still have some tickets available for our Upcycled Fashion Show **this Monday 29<sup>th</sup> June at 3:45pm**. Tickets are priced £2.00 per person or £5.00 for a Family Ticket for 2 adults and 1 child or more. You can buy the ticket on the school shop section of the Arbor app. The ticket will include entry to the show, a choice of tea or coffee and juice for the children, with a selection of scrumptious biscuits. Following the show, we will have a Chocolate Tombola and Uniform sale. Everyone is welcome to come along, if your child is in the show or you just want to come along and enjoy the event! We hope to see you there.

### CHOCOLATE TOMBOLA

We've had a lovely day in non-uniform, the children have really enjoyed it after this hot week. Thank you to all parents/carers who have sent in a chocolate donation for our chocolate tombola. If you didn't get the chance to donate today we would greatly appreciate it if you could please send something in on Monday. Why not come along to the event and try your chances at winning something!

### ORCHESTRA ASSEMBLY

On Wednesday 8<sup>th</sup> July at 2pm our wonderful school orchestra will be performing for the whole school. Parents are very welcome to come along and watch. We will also see a performance from KS2 showing us the trombone skills they have gained this year. See the back page of the newsletter for the orchestra's amazing achievements covered in the press!!

## Star Of The Week

**HOPPER:** **Jude** for being a helpful member of our class.

**WARHOL:** **Billy** for superb maths work and wonderful reading and discussion of his book.

**DALI:** **William** for his determination and focus in class during writing lessons.

**KAHLO:** **Matilda** for showing a mature attitude to learning and always giving her best. Well done!

### BREAKFAST & AFTER SCHOOL CLUB:

**Oscar H** for always being a fantastic helper and super sensible in our clubs, well done!

**Class attendance award winners  
are KAHLO who achieved  
95% attendance! Well done!**

## Reminders

Can all KS2 children please ensure that they bring their reading books and library books to school every day. This allows us to change books as needed and read with the children regularly. If any books are missing, please contact the school office, who can help arrange replacements. Please note that a small charge may be incurred

## CORNHOLME SCHOOL RULES AND VALUES

At Cornholme School all children will be

1. Ready 2. Responsible 3. Respectful

**We know our school is important and everyone matters**

## HOPPER

This week, the Reception children had a fantastic time solving a range of problems. They explored different materials to decide which would be most effective for mending containers so they could bail water out of a boat. They also took on an exciting challenge to rescue a small-world character who was stuck on a clock, the children's creations were amazing.

The Nursery children have enjoyed joining in with the story and rhyme A Hole in the Bottom of the Sea. They have had great fun moving like crabs, using their bodies to explore different movements and actions from the rhyme.

## WARHOL

Alongside trying to keep cool, we have achieved lots of wonderful work this week. We have begun to learn about time in Maths. Please help us to keep telling the time at home! We have also started a new Geography unit where we will be learning about hot and cold places around the world.

## DALI

The text, The Boy at the Back of the Class is really capturing our imagination and the children have already produced some fantastic writing about the characters. In PE we have been developing batting and fielding techniques in rounders, whilst considering game play and the importance of communication in teamwork. Well done Dali Class.

## KAHLO

### **Class News:**

We survived the heat and lots of changes to our routines this week and still had a fantastic week of learning! In Maths, we worked hard on reading, interpreting and creating our own pie charts, showing great understanding and effort. Everyone has shown resilience, focus and a positive attitude throughout the week. Well done everyone, keep up the great work!

### **Year 6 Transition:**

This week, Year 6 spent the afternoon with Mr Nalborczyk from Todmorden High School. They learned about 'Smart Start' and the expectations for Year 7, helping us them feel more prepared and excited for the move to high school. Some children also enjoyed an extra afternoon at the high school as part of their extended transition programme, giving them an opportunity to become even more familiar with their new surroundings. They are all looking forward to the next stage of their learning journey.

### Life's natural rhythms

The Primitive Percussion Youth Orchestra helps musical children march to their own beat

Jude Rogers

On a rainy Wednesday afternoon, four children are making a racket - but what a glorious racket. Eleanor, Tom, Archie and Jenson, all aged between seven and nine, are hammering piano notes through delay effects, bowing homemade string instruments to create low, eerie drones, and smashing and shimmering triangles and gongs, all to create atmospheric stories in sound.
