FASHION SHOW SUCCESS

Our first Upcycled Fashion Show was a fantastic success and we were blown away with the creativity shown by our children! The event raised a total of £125 for school funds and we would like to thank all the parents involved for their help and support. A special thanks goes to Mrs Cochrane for organising such an amazing event. Here's to the next one!

POETRY DAY

On Wednesday we welcomed Ian Bland, children's poet and author, into school. Ian performed a selection of his work to the whole school before holding poetry workshops with each class who then had the opportunity to perform the work they had produced. The children had an absolutely brilliant day and Ian loved working with them and was very impressed with their work!!

MUSIC ASSEMBLY

Just a reminder that on Wednesday 8th July at 2pm our wonderful school orchestra will be performing for the whole school. More exciting news is that our Pom Dance Team will be opening the show!! We will also see a performance from KS2 showing us the trombone skills they have gained this year. Parents are very welcome to come along and watch.

★ Star Of The Week ★

HOPPER: **Ronnie** for following our class routines, well done!

WARHOL: **Ada-Faye** for enthusiasm and a positive attitude to learning.

DALI: Double Star of the Week goes to **Sam** and **Carter** who created and performed a wonderful 'What am I?' poem

KAHLO: **Cameron** for showing a fantastic attitude in class and consistently following our school rules. Keep up the great work!

BREAKFAST & AFTER SCHOOL CLUB:

Matilda for being grown-up, sensible & kind.

**Class attendance award winners
are Hopper and Warhol who both
achieved**

96% attendance! Well done!

Reminders

**Could parents please provide a plastic bag with their child's name on it by Monday 13th July.
Thank you!!**

CORNHOLME SCHOOL RULES AND VALUES

At Cornholme School all children will be

1. Ready 2. Responsible 3. Respectful

We know our school is important and everyone matters

Classroom News

HOPPER

We have had a fun-filled week in Reception! We were delighted to welcome the poet Ian Bland, who entertained us with his wonderful action poems. We have also been exploring a range of materials to investigate which would be the best for making a kite. To test our ideas, we headed outside in the windy weather – it was so windy that we nearly blew away!

WARHOL

We have continued our Geography this week by learning about the equator, locating it on a world map and finding out which countries lie on the equator. We learnt that these countries have a hot climate as the sun is more concentrated there whereas countries near the north and south poles have colder climates because the sun is more spread out there.

DALI

What a busy and brilliant week packed with so much wonderful learning! We revealed the results of our experiment looking at the impact of sugar on teeth enamel. We were surprised how much damage the fruit juice caused. Children have created some super pieces of writing based on The Boy at the Back of the Class. We also enjoyed a brilliant class session with the poet Ian Bland who entertained us with his performance poetry and then showed us the secret to writing our very own poems to perform. Well done to everyone.

KAHLO

Class News:

This week, we have been writing balanced arguments about whether schools should make changes, thinking carefully about reasons both for and against. We came up with some thoughtful ideas and supported our opinions with good arguments.

In Spanish, we have been learning vocabulary linked to the Vikings, practising new words and building our confidence in speaking and understanding Spanish.

We are also enjoying our final weeks together as a Year 5 and 6 class, making the most of our time together before the end of term.

Transition Day:

Our current Year 4 and Year 5 pupils spent the day with Miss Gibson in Kahlo Class, getting to know their new classroom and meeting the pupils they will be learning alongside from September. Everyone had a fantastic day and is looking forward to the exciting year ahead. We can't wait for September!

Year 6 Transition:

Some of our Year 6 children spent the day at their high schools this week as part of their transition. We look forward to hearing all about their experiences and are excited for them as they prepare for this next chapter.

SPORTS NEWS

Sports Day for children in Years 1–6 will take place on Thursday 9th July, starting at 9:30am on the Rec. Families are warmly invited to come along and support the children.

Please ensure children come to school wearing their full PE kit and bring a hat, sun cream and a water bottle.

If the weather changes, we will keep everyone updated with any revised arrangements.

We look forward to seeing you there!

DATES FOR YOUR DIARY

Wednesday 8th July: Music Assembly at 2pm

Thursday 9th July: Sports Day

Friday 17th July: School closes at 2pm for summer
