## School News

### KAHLO BAKE SALE

Kahlo Class would like to say a huge thank you to everyone who helped make our bake sale such a success!

Over the last few weeks, the children worked hard preparing for the bake sale and were very excited to help organise and run it. Thank you to everyone who baked delicious treats, helped sell them, bought goodies, and of course ate our tasty creations!

We are so grateful for all the support from families and friends. The money raised will go towards our leavers' hoodies and a special end-of-term treat for Kahlo Class.

Thank you again for your generosity and support!

### Y6 TRANSITION

This week, the children in Kahlo Class took part in two workshops focusing on transition to high school. We were also lucky enough for our Year 5 children to take part too.

A huge thank you to our visitors, Jim and Joan from It's Your Move, and Haley from the Calderdale Mental Health Support Team, for delivering such valuable sessions. The children were involved in some great discussions and were given helpful advice and reassurance about the move to secondary school.

Year 6 parents, please keep checking your mailboxes over the next term, as high schools will begin sending out more information directly to families. As a school, we do not always receive copies of this information.

Thank you again to everyone involved for supporting our children during this important transition.

## Star Of The Week

**HOPPER:** Star of the week is **Everyone** for all their hard work this half term, well done everyone you've made us very proud.

**WARHOL:** **Dougie** for showing such enthusiasm for our history topic that he has brought his own books into school for us to share with the class and help us learn even more! Thank you Dougie!

**DALI:** **Nathan** for excellent effort and improvement with his transcription. Well done!

**KAHLO:** **Tianna** for excellent concentration and for being able to work independently. We are very proud of your focus, determination, and positive attitude towards your learning. Keep it up!

### BREAKFAST & AFTER SCHOOL CLUB:

**Ronnie** for always being super sensible and using his manners in our clubs. Well done Ronnie, keep it up!

### Class attendance award winners

are **WARHOL** who achieved  
**95% attendance! Well done!**

## Reminders

Please can you take the time to check you child's hair for lice over half term, as a few of our little friends have been spotted in classes this week. Thank you.

## CORNHOLME SCHOOL RULES AND VALUES

At Cornholme School all children will be

1. Ready 2. Responsible 3. Respectful

We know our school is important and everyone matters

# Classroom News

## HOPPER

This week we have celebrated world bee day, we've been busy drawing and painting wonderful bee pictures. Our older children had a go at writing some sentences about bees and we enjoyed having honey on toast for snack, we thought it was delicious. Mr Goggins has made us a fantastic bug hotel for our garden, we are excited to see what bugs we will find next!

## WARHOL

This week we have started our new art project - Woven Wonders. We have begun by learning a technique called wool wrapping. Each lesson, we will be practising a different technique and we will add all of our creations to our box loom at the end. Please remember to bring in a shoe box after half term if you haven't already. If you have any spare, we will be very grateful!

## DALI

This week we have created some fantastic newspaper reports about spotting a mysterious beast in the local woods. In Science we have been exploring what plant life and animal life is local to us.

After half term Year 4 will be completing the multiplication check, all children will be bringing home a booklet for times tables to work through over half term to help prepare.

## KAHLO

Kahlo Class has now finished our English unit based on Francis.

The children have thoroughly enjoyed exploring the story and thinking carefully about the characters and events. To finish the unit, the children wrote their own story endings explaining what they thought really happened to Francis. They used fantastic imagination, descriptive language, and creative ideas to make their endings exciting and engaging.

We are very proud of all the hard work and effort that has gone into their writing this half term. Have a well-deserved week off and enjoy the chance to recharge, ready for our final term together. Well done, Kahlo Class!

# Sports News

On Thursday, our Year 5 and Year 6 children took part in a cricket competition against other schools in Todmorden.

The weather was definitely on our side and the children had a fantastic day showing great teamwork, determination, and sportsmanship throughout the competition. Thank you to everyone who came along to support the children. Your encouragement was greatly appreciated. We are very proud of all the children who represented our school so brilliantly!

## DATES FOR YOUR DIARY
