Last reviewed on date: September 2023

1. Introduction

- 1.1 The School Governance (England) (Roles, Procedures and Allowances) Regulations 2013 make provision for governing bodies of maintained schools in England to: “approve alternative arrangements for governors to participate or vote at meetings of the governing body including but not limited to by telephone or video conference”.
- 1.2 In relation to this the governing body of Upton Snodsbury C of E First School has determined the following arrangements will apply.
- 1.3 These arrangements apply to meetings of the full governing body and to committee meetings.

2. Virtual Attendance at Face to Face Meetings

- 2.2 Where a governor wishes to attend a meeting of the governing body by either telephone or video link the chair and governance professional must be notified at least 48 hours in advance of the meeting to ensure that appropriate arrangements can be made where possible. The governors will be asked their reasons for not attending the meeting in person and their attendance virtually will be subject to the approval of the governing body at the beginning of the meeting, though this approval will not be withheld without good reason. Where approval is withheld the reason for this will be minuted and the governor informed immediately.
- 2.3 Governors attending the meeting either by telephone or video conference will be entitled to vote on any issue providing they have been ‘present’ for the whole agenda item which the vote relates to. Where a secret ballot is required this will be facilitated where possible (eg by taking a telephone call off speaker phone and the governor sharing their vote verbally with the clerk). Where this is not possible the governor will be required either to vote publicly or abstain.
- 2.4 Governors attending the meeting virtually will contribute to the quorum for the meeting. If the technological link is lost they will cease to contribute to the quorum, but this will not prevent the meeting continuing in their absence unless it has become inquorate.

- 2.5 The meeting will be chaired by a governor who is present in person.
- 2.6 If, after all reasonable efforts, it does not prove possible for a governor to participate by telephone or video conference the meeting may still proceed with its business provided it is otherwise quorate.

3. Virtual Meetings

- 3.2 Where a meeting is taking place virtually every effort will be made to enable all governors to access the meeting.
- 3.3 Where a meeting is taking place virtually the usual statutory notice arrangements will apply and all papers to be considered will be circulated at least seven days in advance of the meeting, except where the chair has exercised his/her right to waive the usual notice in an emergency situation.
- 3.4 Virtual meetings will be minuted in the same way as other meetings, either by the governance professional being present virtually or by a governor who is present, other than the headteacher, taking the minutes, and these will be presented to the next meeting of the full governing body.
- 3.5 Virtual meetings should not be recorded by any governor or the governance professional without the approval of the governing body and for a specified purpose.
- 3.6 Remote attendees must be aware of their surroundings. Confidentiality and sensitivity of information must be considered, and conversations must not be conducted in a place where they will be overheard, for example in an open public space. Confirmation of confidentiality should be declared at each meeting.

4. Review of this Policy

- 4.1 The policy will be reviewed at least annually, but any governor with any concerns about its operation can request that it is reviewed at any time.
