

Rawdon Littlemoor Primary School
A journey together of learning, happiness and success
Friday 9th February 2024

Bikeability

Our year 1 children have been learning to ride bikes this week. It has been a cold, wet, snowy and windy week but despite it all the children carried on learning to balance, steer and pedal successfully. Well done year 1!

Foundation Fire Truck Visit

Our Foundation children were lucky enough to receive a visit from the West Yorkshire Fire Service today who brought their Fire Truck to show them!

Creature Ark

Our year 3 & 4 were visited by lots of unusual animals this week. They met snakes, gecko's, frogs and a tarantula as part of their topic. They were very brave!

Pokemon & Football Cards

We know that many of our children enjoy collecting, sharing and trading Pokemon & football cards. However, when this is unsupervised in School it can cause confusion, disappointment and upset among the children. Can we therefore ask that you don't allow your children to bring these cards to school in future.

Owl Class PE Days

After half term Owl class have NEW PE days which are Monday & Wednesday!

NEW Menu

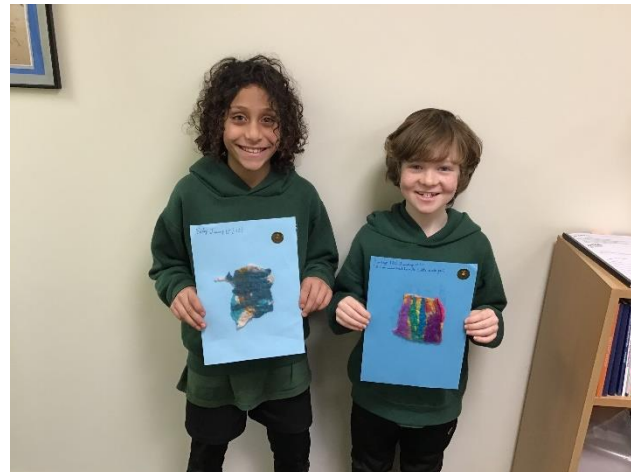

Don't forget to update us with your child's meal pattern if it changes as a consequence of our new Menu which is starting after half term.

Eco Warrior Newsletter

2022-23 Plaque

Our plaque for achieving Eco-Schools Green Flag status for the last school year finally arrived this half-term. A huge 'Well Done' to last year's Eco Committee for all their hard work in achieving this. We also received a certificate for completing a number of bonus questions and activities, meaning we also achieved the Eco-Schools Green Flag with Distinction status.

This Half-Term's Work

Our current Eco Warriors have been very busy this half-term! After introducing the project to our new members, we began the half-term with a litter pick of the school grounds. Since then, we have built our own mini bug hotel, which has been installed near the MUGA. We have also begun decorating some bird houses, before taking part in the RSPB's Big School Birdwatch. Our results from this birdwatch will be on our Eco-board shortly. However, the highlight of the half-term was completing a litter pick in Micklefield Park with the Eco Warriors from Ss Peter and Paul's Catholic Primary School. Thank You for joining us and for doing an excellent job.

Half-termly Challenge

As part of our work at Eco club, we are going to be setting a challenge every holiday, to try encourage people to complete an environmentally-friendly action during their time away from school. This half-term's challenge is to make a robot made from clean materials you would have otherwise thrown away! If you build a robot, bring it to Marcus, and there will be a prize for the top three robots!

Golden Book

This week's star is a geographer!

Ducklings	Winnie Turner	For drawing and amazing detailed mape of where she lives and what is in her local area. Well done!
Goslings	Dominic Thompson	For spending lots of time drawing a fantastic detailed map of his local area. Well done!
Kingfisher	Alex Jones	For showing enthusiasm during geography lessons and asking specific questions.
Robin	Hannah Wibmer	For always showing such an interest in maps and telling us about different places in the world.
Dove	William Monks	For showing great interest in our class globe and maps.
Owl	George Whitaker	For enthusiasm in learning about new places and good map skills.
Peacock	Seb Robertson	For super fast location skills using an atlas and showing a good knowledge and understanding of the places in the world.
Nightingale	Eva Bates	For being extremely passionate about geography and making connections to her previous learning.
Blackbird	Taliah Jefferies	For guiding her group to understand 6 figure grid references.
Kestrel	George Barker	For working very hard to understand how to read Ordnance Survey maps.
Puffin	Amelia Jackson	For her fantastic 6 figure grid reference work.
