

Rawdon Littlemoor Primary School
A journey together of learning, happiness and success
Friday 1st March 2024

Today our year 6 children found out where they will be going to school in September. This marks the start of their leavers journey with us and we look forward to supporting them through their transition and also to celebrating the end of their primary school career with us. If your child is in Year 6 and you have any worries about their transition to High School then please get in touch.

Sikh Gurdwara

Blackbird and Puffin classes visited the Sikh Gurdwara this week. These are the last of our visits to the Sikh Gurdwara. Our hosts at the temple have been very welcoming and generous with their time, explaining to our children what it means to be a member of the Sikh community in Leeds. Our children have also been brilliant ambassadors for our School, listening carefully and engaging thoughtfully with the visit.

Football Match – Friday 23rd Feb

Featherbank 2 – 3 Rawdon Littlemoor

Last Friday a team of our Year 5 & 6 boys played a football match against Horsforth Featherbank and won! Miss Clarkson who organised the match was very proud of the team. She said they were kind and kept their composure when they went behind, coming back at the end of the 2nd half with a late winning goal! Well done boys!

Rumble in the Jungle Projects – LKS2

We are looking forward to seeing all the completed 'Rumble in the Jungle' projects in school on Monday. We will be putting them on display in the Owl, Peacock and Nightingale classrooms after school on Monday 5th March from 3.15-5pm. Please call in to see them if you have chance.

Comic Relief / Leeds Children's Heart Surgery

Friday 15th March

We know you will already be searching for that brilliant joke to share on Comic Relief day (and we can't wait to hear them!) but we will also be raising money on that day to support the Leeds Children's Heart Surgery Fund. This charity has helped to support some of our children and their families! Please wear a red ribbon to show your support on 15th March and make your donation via ParentPay.

THANKYOU!

Big Walk & Wheel Fortnight

We will be taking part in Sustrans Big Walk & Wheel Fortnight from 11th- 22nd March. This is the UK's largest inter-school walking, wheeling, scooting and cycling challenge. The aim is to inspire our children and their families to make active journey's to school, to improve air quality in our neighbourhood and discover how these changes can benefit their world.

We will be keeping a log in class during this fortnight of how the children travel to school and if over 15% of our pupils walk, use a wheelchair, scoot or cycle then we will be entered in to a daily prize draw for rewards including new equipment and accessories for our school. So, if you usually drive, maybe you could plan to join in as much as you are able during this fortnight!

Parents & Carers Evening – Foundation –Year 4

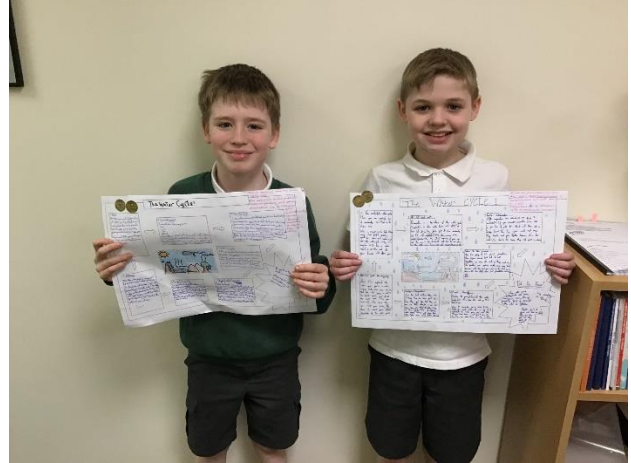

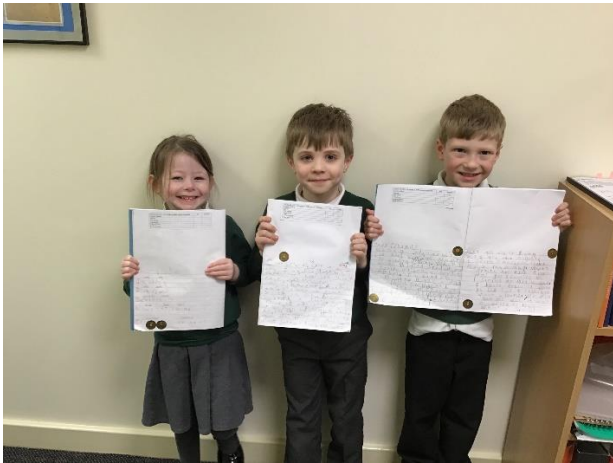

Wednesday 13th March – 2.30-5pm

Thursday 21st March – 3.30-7pm

There are still appointments free for the forthcoming Parents & Carer's Evenings. If you haven't done so yet, please don't miss this opportunity to come and meet with the class teacher to find out how your child is progressing at school.

Good Work - Congratulations to everyone this week who produced brilliant work!

Golden Book

This week's star is a super scientist!

Ducklings	Dexter Barnes	For amazing construction skills!
Goslings	Reuben Slater	For fantastic construction skills!
Kingfisher	Heidi Stothard	For always thinking outside the box when reasoning.
Robin	Isabelle Al-Musaied	For always giving fantastic explanations and sharing her knowledge.
Dove	Ivan Poole	For always thinking carefully about how to explain his ideas in science.
Owl	Ben Finlay	For super scientific skills.
Peacock	Penny McCallum	For always coming up with excellent ideas and showing good understanding in science.
Nightingale	Sam Britz	For giving excellent suggestions for how to group animals and creating his own classification criteria.
Blackbird	Theodore Briggs	For creating a lovely piece of work full of information about the human heart.
Kestrel	Nancy Crowther	For her enthusiasm for the natural world and excellent scientific thinking.
Puffin	Maddy Royston	For a wonderfully detailed and beautifully presented diagram of the heart.
