

Foundation Newsletter

Friday 1st March 2024

Dear Parents

We have had a very exciting week in Foundation learning about Superheroes! We have read the story of Supertato and had lots of fun solving Evil Pea's many crimes all week! Thank you for all the vegetables you sent in, the children had a fantastic time making their vegetable superheroes. The children used their phonic skills to write their own version of the story, and in maths we looked at patterns. Next week we will move on to creating our own superheroes and villains!

World Book Day

World Book Day is next Friday 8th March. We would like to invite the children to bring in their favourite story/book on this day. Please put your child's name in their book. The school has also invited children to come to school dressed as a story character on this day.

Parent Consultations

These are taking place on Wednesday 13th March and Thursday 21st March. The new Foundation Stage Leader and Ducklings class teacher, Mrs Raine, will be attending the meetings with Miss Macey and Mrs Cooke so that you can have the opportunity to meet her.

Easter Bonnet Parade

This takes place on Tuesday 26th March at 9.00am in the school hall. Please bring your bonnets to school the day before on Monday 25th March. You are all invited to come to the parade and we have been practicing some Springtime songs for you. There will be a prize for the best boy's and best girl's bonnet in each class, as well as a treat for everyone.

Easter Egg Hunt

This PTA run event takes place on Wednesday 27th March. The children need to bring an Easter Egg and £1. We will have a giant egg hunt and the Easter Bunny will be joining in the fun!

Interhouse Cross Country

This takes place on Thursday 28th March in the afternoon. The Foundation race will be first at approximately 1.15pm. Parents are welcome to come along and watch. Our race will be across the school sport field, around the bottom rugby pitch and back into the school field. Please send your child to school in their outdoor PE kit on that day, and a change of shoes would be really useful in case it is very muddy on the field.

Things to Practise at Home

- Read your reading book and pop a comment in the yellow reading record book.
- Can you make a repeating pattern from objects you find around the house? Eg peg spoon spoon peg spoon... We would love to see your creations on Tapestry!
- Play Supertato at home! Collect a potato and some vegetables and pretend one of them is evil and doing terrible things to the others. Supertato to the rescue!

That's all for this week. If you have any questions please do come and speak to a member of the Foundation team after school.

Have a lovely weekend.

The Foundation Team
